North St. Louis County will be hosting a Pilot Program for the MN 4-H this summer around Sporting Dog Training. Our first meeting will be on May 13th at the 4-H office in Virginia. At this meeting we will go over the schedule and watch a Retriever Training Video put out by Tom Dokken. This 4-H program is available for youth in the 4th grade through one year after high school.

This Training will focus on the following topics:

- Basic Obedience
- Single Retrieves
- Introduction to Water

- Introduction to Birds

At the conclusion of the summer we will have a basic "Hunt Test" where dogs and handlers will showcase what they have learned. We will also have the opportunity for a few of our youth to attend the Minnesota State Shooting Sports Competition in Alexandria and showcase what they have learned in the training.
