**INCIDENT SUMMARY:**

The St Louis County Sheriff's Office in Virginia is investigating an incident in which two males in a small, unmarked car reportedly used dash-mounted police emergency lights to stop a female motorist who was traveling alone on County Hwy 4 in Biwabik Township five miles south of the City of Biwabik. The incident occurred in darkness on Saturday evening. The person who reported the incident became suspicious of the males appearance and drove away without being pursued further.

The Sheriff's Office advises any motorist who is suspicious of a vehicle attempting to stop them with police equipment to drive to a well-lit or populated area, to call 9-1-1 to report the incident and to request identification of any person purporting to be a peace officer with whom they have contact in such situations.
