Child Care Licensing	Minn. Stat. 245A.10, Subd 1a

Renewal			100.00	100.00	100.00	100.00	100.00
NOTE: State requires initial licenses to be one year. After the first year, most licenses are renewed every two years. The State requires a one year license if a provider is operating with a variance to a disqualifying factor, or if a provider is on a conditional license. The County has discretion to issue a license for one year if there are repeated or a history of substantiated complaints.

Adult Foster Care Background Checks	Minn. Stat. 245C.10						
NOTE: Child care background study fees are $25.00 per person. Each member of the household 13 and older, and all employees of a provider must have a background study. The State allows a maximum of $100 per year to be charged. Therefore, if a license holder needs more than 4 individual background studies in a year, they are charged $100 total. The law also states that counties cannot charge more than the cost of the service. A cost analysis in 2006 showed that these fees did not exceed the cost of the studies, based on staff costs.
