2. The right to withdraw or add any parcels to this list is hereby reserved by the County Auditor and all sales will be considered **FINAL**.
3. Properties will be sold at public auction. All property will be sold to the highest responsible bidder. Bidding will begin at the minimum bid specified on the list. 5. All sales are subject to existing liens, leases, easements, and rights-of-way.
6. Any lands offered for sale may be subject to unpaid assessments against the property. Before purchasing, any prospective buyer should consult the City Treasurer's Office for properties in the City of Duluth, or the City/Town Clerk for all other locations, in respect to any unpaid assessments that may exist. Any assessments against the property for public improvements after the property forfeited to the State shall be assessed against the property and paid for at the time of purchase, pursuant to Minnesota Statutes, 282.01, subd. 3. Any municipality or other public authority is authorized to make a reassessment or a new assessment to a parcel in an amount equal to the remaining unpaid original assessment at the time of forfeiture. Minnesota. Stat. 429.071, subd. 4 and 435.23.
7. Some non-platted lands listed for sale may contain non-forested marginal land or wetland as defined in Minnesota Statutes. Please contact the Land and Minerals Department, Government Services Center, 320 W. 2<sup>nd</sup> St., Room 607, Duluth, MN 55802, Phone No. 218-726-2606 to arrange to see the property for such an inspection or assessment.
10. The County Auditor shall charge and collect in full at the time of sale for the State of Minnesota, an assurance fee of 3% of the total sale price of the land, timber, and structures. Additional fees such as recording fees, deed fees, and deed taxes will be explained at the time of payment.
11. For each parcel of land sold, a down payment of 10% of the purchase price or \$500, whichever is greater (Board Resolution # 1988-348) must be paid at the time of the sale or the parcel will be sold to the next highest bidder. Those parcels purchased under an installment plan will require execution of a purchase contract. The length of the contract cannot exceed ten years and the remaining principal balance will be payable in equal annual installments plus simple interest at the rate set pursuant to Minnesota. Stat. 549.09. Other terms and conditions will be explained at the time of signing. The county reserves the right to require payment in full at time of sale if the bidder has previously defaulted on a land sale contract or repurchase agreement.
12. For those parcels for which there is an estimated volume of timber, the value of the timber must be paid in full at the time of purchase, in addition to the down payment stated above. If a parcel with timber sells for more than the list price, the amount bid in excess of list price will be allocated between the land and the timber in proportion to the respective totals. The amount allocated to timber must be paid in full at the time of purchase. (Board Resolution # 1988-348)

## Could you tell me about the St. Louis County tax forfeited land sales?

- Tax forfeited lands, classification and sale are governed by Minnesota State Statute §282 (Tax forfeited lands; classification, sale) and resolutions of the County Board.
- Tax forfeited lands are either reserved for conservation purposes or disposed of, through a classification system that is determined by the County Board and approved by the Commissioner of Natural Resources (Minnesota Department of Natural Resources).
- When a parcel forfeits, County Board resolution determines its classification, upon approval of the Commissioner of Natural Resources (Minnesota Department of Natural Resources). When a parcel is classified as non-conservation, it can be sold for private ownership via auction.
- There are three tax forfeited land sales per year (February, June and October) in the form of oral auctions.
- Parcels identified for auction (and approved as being able to sell) are sold to the highest bidder, however not for less than the value that is set by the County Board.
- When a parcel is classified as conservation, it is set aside as primarily suitable for timber production.
- Land containing standing timber may not be sold until the timber value and the sale of the land have been approved by the Commissioner of Natural Resources (Minnesota Department of Natural Resources). Minerals in tax forfeited land and tax forfeited stockpiled metallic minerals or materials are subject to mining (mineral rights).

## What happens to the money that the Land and Minerals Department brings in?

- The County Board may set aside no more than 30% for timber development (which include Memorial Forests).
- The County Board may set aside no more than 20% (by resolution) to be used for recreation. The Land and Minerals Department is self-supporting, with any balance remaining after operational costs as follows (this is called apportionment):
  - 40% to the County's General Fund.
  - 40% to school districts.
  - 20% to towns or cities.

## Amount Due Upon Purchase

- Down Payment.....10% of the total sale value or \$500, whichever is greater.**
- State Assurance Fee.....3% of total sale price of land, timber and structures. This percentage is state mandated and goes into the State's General Fund to cover losses in the event that the State has to defend its right to forfeit land.**
- Assessments.....Check with city/town clerk for any additional assessments of which the Land and Minerals Department is not aware. If listed on sale listing, assessments must be paid in full at the time of sale.**
- Timber Value.....Paid in full at the time of sale. Please note: The timber value increases the same percentage as the sale bid up.**
- Recording Fee.....\$46.00 or as set by the County Recorder. If there is a well on the property, it is an additional \$50.00 for well disclosure.**
- Deed Fee.....\$25.00**
- Deed Tax..... 0033 times the purchase price.**

**1. What is the date, time and location of your tax sale?**

We have three State tax forfeited land sales each year, one each in February, June and October. The dates will be posted by January each year to our website located at [www.stlouiscountymn.gov](http://www.stlouiscountymn.gov). The land sales are advertised in the official newspaper of the County ( currently the Duluth News Tribune [www.duluthnews.com](http://www.duluthnews.com) ) and on our website at [www.stlouiscountymn.gov](http://www.stlouiscountymn.gov) . Free printed copies of our Land Sale booklets can be picked up at St. Louis County offices or from one of our multiple area wide distribution sites which are listed on our website.

**3. How and when do I register for your tax sales?**

You can register early by completing and mailing the pre-registration form enclosed in this booklet, by filling out the pre-registration online form found on our website at [www.stlouiscountymn.gov](http://www.stlouiscountymn.gov) , or by registering at the auction. There is no redemption period once a property is acquired.

Bidders or their representatives must be present at our sales.

**10. What happens to a tax sale property that has an unsatisfied mortgage held against it?**

The law is unclear whether a tax forfeited property is subject to an unsatisfied mortgage against it. The Land and Minerals Department advises all buyers to consult a real estate attorney prior to purchasing tax forfeited lands with unsatisfied mortgages held against them.

**11. What happens to the properties that do not sell at the auction? Are they still available for purchase?**

Properties that do not sell can be purchased over-the-counter from the Land and Minerals Department, and can even be purchased or financed through the mail. - Timber auctions are open to any "Responsible Operator" (application form on website).
- The purchaser of the timber may or often uses contractors to harvest the timber on their behalf. This means that often the operators are not directly bound by contracts to St. Louis County.
