

Private Driveway Applicants

Please read all of the provisions of the application carefully. The application deadline is October 1. If you meet the requirements and would like to apply for snowplowing service by St. Louis County, please complete the current season snow season application with your name, mailing address, snowplow address (if different from your mailing address), a telephone number where you can be reached and your signature stating you have read and understand the agreement. Be sure to include payment in full which consists of a check or money order payable to “St. Louis County Auditor” for the total amount from the rate schedule PLUS the NON-REFUNDABLE filing fee* PLUS any late fee if applicable.

Mail the completed application with payment in full to the county garage for your area listed on the application OR if you do not know where that would be, mail it to: St. Louis County Public Works Dept. 4787 Midway Rd. Duluth, MN 55811.

Once your application is received your check will be deposited. The Road Foreman will then drive out to inspect your driveway and determine if it meets the requirements for snowplowing. If it is determined that you meet all requirements, your application will be signed by the Road Foreman and the District Superintendent and kept on file at the appropriate garage (you will not receive a copy returned in the mail). If you do not meet the requirements, you will be contacted by the Road Foreman with the issues so they can be corrected. If the issues are not corrected and it is determined that plowing cannot be done, a refund for the amount from the rate schedule will be issued (the filing fee is not refundable).

If you have questions, please contact the county garage for your area (phone numbers are on the application) OR the main Public Works facility at 218-625-3830.

*There is a senior discount for those 65 years of age or older – see application.
