## ENVIRONMENT & NATURAL RESOURCES COMMITTEE CONSENT NO. 1

NOVEMBER 8, 2011 BOARD AGENDA NO. 1

**DATE:** October 25, 2011                      **RE:** State Tax Forfeited Lease Agreement with Mining Resources, LLC for a Processing Plant (Balkan Township)

**FROM:** Kevin Z. Gray  
County Administrator

Robert Krepps  
Land Commissioner

**RELATED DEPARTMENT GOAL:**

Providing raw material for local industry.

**ACTION REQUESTED:**

The St. Louis County Board is requested to authorize a lease agreement with Mining Resources, LLC for a scam mining processing plant.

**BACKGROUND:**

Mining Resources, LLC wishes to develop a scam mining project in the Duncan, Niles, and Douglas tailings basins near Chisholm, MN. The project will reclaim approximately 1 million metric tons of iron ore concentrate from 2.5 million metric tons of excavated tailings each year. The total production from the site will process 7.8 million metric tons of tailings resulting in approximately 2.5 million metric tons of concentrate. A temporary plant will be constructed onsite to process the tailings into higher grade concentrate suitable for supply to iron ore processors. Nearly all of the surface interest in the 750 acre project area is state tax forfeited.

Mining Resources is requesting to lease state tax forfeited land in Sections 26 and 35, Balkan Township, for the purpose of constructing and operating a processing plant and related facilities. All infrastructure used in the mining operation is modular for efficient installation and removal. Mining Resources will be subject to the terms and conditions contained within a lease agreement which will include provisions for complete removal of all facilities at lessee's expense upon termination or expiration of the lease. The Land Department was made aware of this project only very recently. Mining Resources

hopes to break ground as soon as possible to stay on its production schedule, so the Land Commissioner has made this lease a priority.

Minnesota Statutes 282.04, Subd. 1(d) limits the consideration for a lease to \$12,000 per year unless it is first offered at public sale. Due to the short amount of time available, the Land Commissioner recommends an annual lease fee not to exceed \$12,000 for the processing plant site of 40 – 50 acres. Further analysis of the requirements of the lease will provide a more accurate lease fee determination. A separate surface lease resolution will be brought to County Board attention in the near future for the remaining tax forfeited land in the area.

**RECOMMENDATION:**

It is recommended that the St. Louis County Board authorize the County Auditor to enter into a lease agreement with Mining Resources for a scam mining processing plant located on state tax forfeited land for an annual lease fee not to exceed \$12,000 to be deposited into Fund 240 (Forfeited Tax Fund).

**State Tax Forfeited Lease Agreement with Mining Resources, LLC  
for a Processing Plant (Balkan Township)**

BY COMMISSIONER \_\_\_\_\_

WHEREAS, Minnesota Statutes, Section 282.04, Subd. 1(d), authorizes the County Auditor, as directed by the County Board, to lease state tax forfeited land to individuals, corporations or organized subdivisions of the state for temporary uses at such prices and under such terms as the County Board may prescribe; and

WHEREAS, Mining Resources, LLC wishes to develop a scam mining project in Sections 26, 34, and 35, Township 58 North, Range 20 West; and

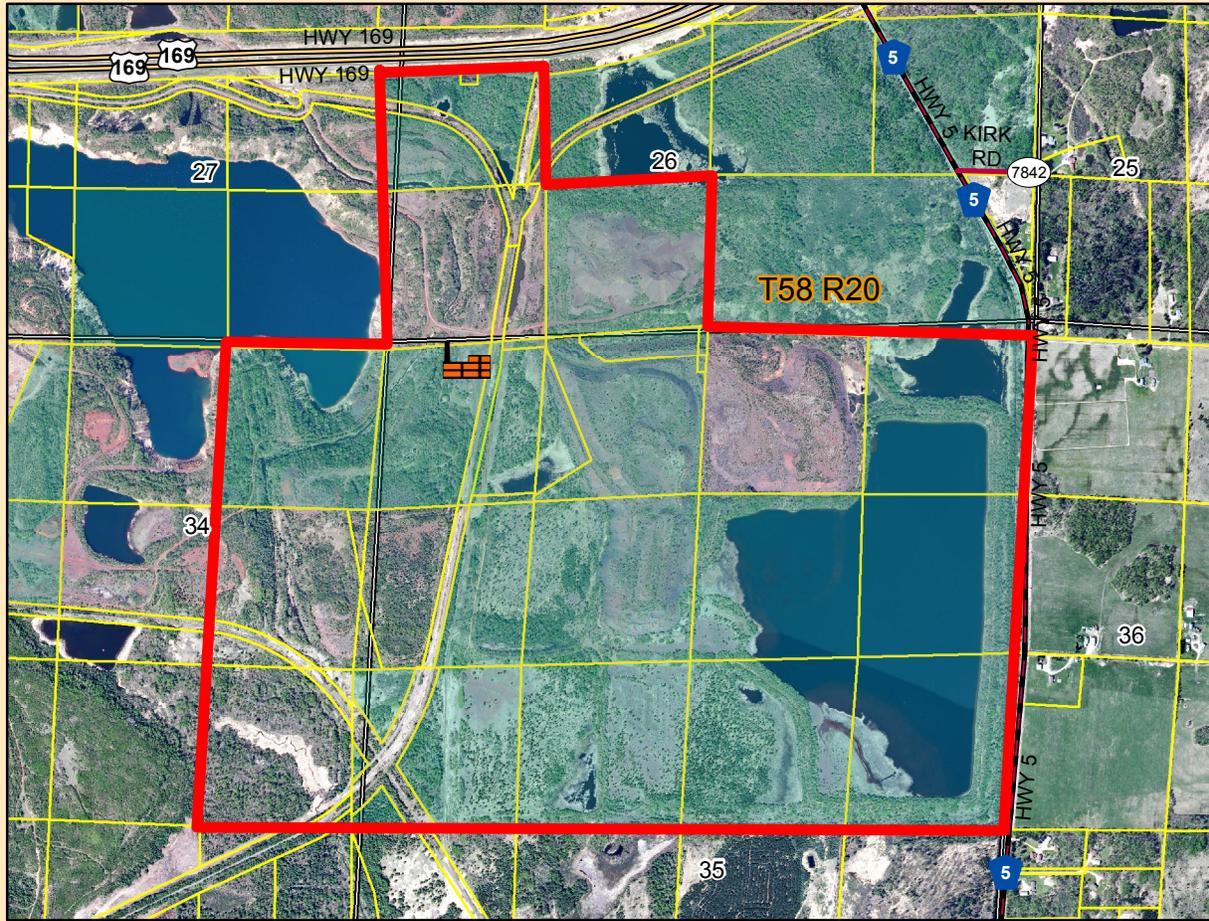

WHEREAS, Mining Resources, LLC is requesting to lease state tax forfeited land for the purpose of constructing and operating an iron ore scam mine processing plant and related facilities on property described as:

1. NW1/4 OF NW1/4 EX 12.61 AC E OF RY RT OF WAY & EX RY RT OF W 0.50 AC, SURFACE ONLY, SEC 35 T58N R20W (PARCEL 141-0030-00460)
2. SE 1/4 OF SW 1/4, SEC 26 T58N R20W (PARCEL 235-0010-03885)

WHEREAS, the St. Louis County Land Department has reviewed the request and recommends an annual lease fee not to exceed \$12,000 plus timber damages for the processing plant and related facilities for a ten year term or until termination of operations; and

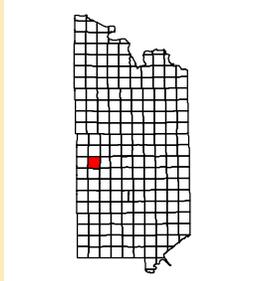

WHEREAS, Mining Resources, LLC shall agree to the terms and conditions set forth in a lease agreement which will include complete removal of all mining facilities at lessee's expense upon termination or expiration of the lease.

NOW, THEREFORE, BE IT RESOLVED, that the St. Louis County Board authorizes the County Auditor to lease state tax forfeited land described above to Mining Resources, LLC for a scam mining processing plant under the terms and conditions described within and more specifically set forth in the lease agreement at an annual fee not to exceed \$12,000 to be deposited into Fund 240 (Forfeited Tax Fund).

## FINANCE & BUDGET COMMITTEE

NOVEMBER 8, 2011 BOARD AGENDA 9:40 A.M.  
PUBLIC HEARING

**DATE:** November 8, 2011                      **RE:** Public Hearing to Consider  
Adoption of 2012 Fee Schedule

**FROM:** Kevin Z. Gray  
County Administrator

**RELATED DEPARTMENT GOAL:**

To manage the preparation of the County Budget and make budget recommendations to the County Board.

**ACTION REQUESTED:**

The St. Louis County Board is requested to hold a public hearing on the proposed 2012 Fee Schedule, and adopt a Fee Schedule.

**BACKGROUND:**

County departments were asked to review fees and submit to Administration fees reflecting increased costs due to inflation, wage settlements, and specific products necessary to perform the services. Some departments determined that current fees adequately covered the cost of the service, and justification for this decision was included in their submittals. Administration reviewed revisions and compiled a proposed fee schedule for various county services which was presented to the County Board at its August 11, 2011 Board workshop. It is necessary to hold a public hearing on the fees which have been included in the projected revenues proposed for the 2012 budget.

At the October 11, 2011 County Board Meeting, commissioners established a public hearing for November 8, 2011 at 9:40 a.m. at the St. Louis County Courthouse, Duluth, Minnesota, for the purpose of obtaining comment on the 2012 Fee Schedule.

**RECOMMENDATION:**

It is recommended that the St. Louis County Board approve the 2012 Fee Schedule for various county services.

**Public Hearing to Consider Adoption of 2012 Fee Schedule**

BY COMMISSIONER \_\_\_\_\_

WHEREAS, the St. Louis County Board held a public hearing at 9:40 a.m. on Tuesday, November 8, 2011 at the St. Louis County Courthouse, Duluth, Minnesota, to receive comment and consider the adoption of the Fee Schedule for various County services for the year 2012.

NOW, THEREFORE, BE IT RESOLVED, that the St. Louis County Board of Commissioners adopts the 2012 Fee Schedule on file in County Board File No.

Child Care Licensing	Minn. Stat. 245A.10, Subd 1a						
Initial License		50.00	50.00	50.00	50.00	50.00	
Renewal		100.00	100.00	100.00	100.00	100.00	

NOTE: State requires initial licenses to be one year. After the first year, most licenses are renewed every two years. The State requires a one year license if a provider is operating with a variance to a disqualifying factor, or if a provider is on a conditional license. The County has discretion to issue a license for one year if there are repeated or a history of substantiated complaints.

Adult Foster Care Background Checks	Minn. Stat. 245C.10	11.00	26.50				

NOTE: Child care background study fees are \$25.00 per person. Each member of the household 13 and older, and all employees of a provider must have a background study. The State allows a maximum of \$100 per year to be charged. Therefore, if a license holder needs more than 4 individual background studies in a year, they are charged \$100 total. The law also states that counties cannot charge more than the cost of the service. A cost analysis in 2006 showed that these fees did not exceed the cost of the studies, based on staff costs.
