

TOWNSHIP MAP POSTERS

St. Louis County, Minnesota

Land and Parcel Ownership Township Maps- Large Format Wall Posters

About: St. Louis County provides large format, high quality poster size wall maps free of charge to townships and businesses for community and comprehensive planning, town meetings, and other uses. The maps highlight the land and parcel ownership with an imagery background.

Audience: The township maps can benefit a variety of users such as: general public, cities-towns, realtors, appraisers, surveyors, engineers, insurance adjusters, title companies,

developers, non-profits, universities, and our government partners who need land record data to conduct business.

Our Commitment: St. Louis County is committed to continuously improving the map content to provide “Value” to our businesses, partners, and public.
