### INCIDENT SUMMARY:

On 07/13/13 I Deputy Olsen (5238), along with Duluth Fire Department, Coast Guard, and St Louis County Rescue Squad personnel responded to the above area on a report of two skydivers that had landed approximately 3/8 of a mile off shore in Lake Superior. One of the skydivers had landed approximately two hundred yards from shore and was brought to shore by someone with a flotation device. The other was quite a bit further out in the lake and was shuttled to shore by a float plane that was able to motor out and pick that skydiver up. The two were uninjured. Both had been jumping with a group from Superior Sky Dive and had intended to land on land near the harbor side of the Park Point Beach House but had disembarked early from the plane.
