Bridge replacement project to temporarily close CSAH 44

County State Aid Highway (CSAH) 44 in Fairbanks Township will close beginning Tuesday, September 3, as St. Louis County Public Works replaces the bridge that crosses Indian Creek. CSAH 44 will be closed for approximately two weeks between CSAH 16 and County Road 547.

The new bridge will be constructed of steel and timber, which means many of the materials can be pre-assembled, allowing for faster construction on site and less inconvenience to motorists.

Detour signs are posted directing motorists around the project area, and motorists are encouraged to find an alternate route. The public can sign up for e-mail alerts about this or any St. Louis County Public Works project at stlouiscountymn.gov/construction.
