### **County Land Atlas and Plat Books for sale**

Online maps and mobile apps are great for some people, but for others, the best kind of map is a traditional atlas. With hunting season just about here, the St. Louis County Planning and Community Development Department continues to offer for sale its Land Atlas and Plat Books – one for the northern part of the county and the other for the south. The books, updated in 2012, depict land ownership and property size, along with roads, lakes, section boundaries, and other reference data.

Books are available for purchase at five County facilities or can be ordered by phone and delivered. The cost for the Land Atlas and Plat Book is \$34 for the northern book, which features approximately the northern two-thirds of the county, and \$28 for the southern book.

The five locations where books can be purchased include the St. Louis County Auditor's Office in the Duluth Courthouse, the Auditor's Service Center at the Miller Hill Mall, the Auditor's Office in the Northland Office Center in Virginia, the Recorder's Office in the Hibbing Courthouse and the Commissioner's Office in the St. Louis County Service Center in Ely.

Mail and bulk orders will be handled through the Auditor's Office in Virginia. To determine correct check amount for the book(s), postage, and handling, visit the County's website at [www.stlouiscountymn.gov/platbooks](http://www.stlouiscountymn.gov/platbooks) or call 218-749-0669.
