### **Lavaque Bypass Road to close July 14 to 18 for culvert replacements**

The St. Louis County Public Works Department will be replacing culverts on Lavaque Bypass Road next week, July 14 through 18, between Highway 53 and Martin Road. During this time, Lavaque Bypass Road will be closed to thru traffic.

The culvert replacements are part of a \$1.2 million project on the 2.3 mile stretch of road. In mid-August, resurfacing work will also be done. During that phase, there will be lane closures, which may cause delays, but the road will remain open to traffic.
