FOR IMMEDIATE RELEASE:

MURDER CHARGE AGAINST EVELETH MAN

Bryan Joseph Hodapp, 27, of Eveleth, was charged in St. Louis County District Court with Murder in the Third Degree and Manslaughter in the Second Degree. The charges stem from the August 30, 2013, death of Krystal Leann Wicklund, 21, of Duluth. Hodapp is alleged to have provided Wicklund with a substance known as 25I-NBOMe. Shortly after consuming the substance, Wicklund began to vomit and suffer convulsions. She was transported to the Ely-Bloomenson Hospital where she was later pronounced dead. Dr. Thomas Uncini, St. Louis County Medical Examiner, determined that Wicklund died as a result of a fatal overdose of 25I-NBOMe. Bail was set in the amount of \$200,000.00. Hodapp's next court appearance is scheduled for March 2, 2015, in Virginia.

The case was investigated by the St. Louis County Sheriff's Office.
