Bridge replacement begins August 3 on Vermilion Trail east of Makinen

A bridge replacement project on County State Aid Highway (CSAH) 4, also known as the Vermilion Trail, begins Monday in Colvin Township, east of Makinen. The new bridge will cross Water Hen Creek, approximately one mile south of CSAH 16/Town Line Road.

Detour signs will be posted directing motorists to use an alternate route during construction, which is scheduled to last until early November. The suggested detour involves County Roads 340 and 338 and CSAH 16.

The estimated cost for the project is \$909,000, and is being funded with state aid dollars.
