Sick leave shall be accrued in the pay period in which it is earned and deducted in the pay period in which it is used.

Section 3. Employees while on probation shall earn and be permitted use of sick leave.

Section 4. Sick leave may be paid for absence because of an employee's inability to perform his/her duties by reason of illness or injury, by necessity for medical or dental care, or by exposure to a contagious disease under circumstances in which the health of

employees with whom associated or members of the public necessarily dealt with would be endangered by attendance on duty.

Sick leave may be paid for absence due to an illness of the employee's child or minor ward for such reasonable periods as the employee's attendance with the child may be necessary, on the same terms the employee is able to use sick leave benefits for the employee's own illness pursuant to this Article. "Child" means an individual under eighteen (18) years of age or an individual under age twenty (20) who is still attending secondary school.

Sick leave may be paid, upon approval of the supervisory staff, for absence due to illness in the immediate family of the employee where attendance of the employee is necessary. "Immediate family" for this purpose shall be defined as parents, step-parents, or spouse of the employee.

The Sick Leave Bank shall be administered by a Committee appointed by the Union. The Union shall keep the Employer advised in writing of the membership of the Committee. The Committee shall act pursuant to guidelines established by the St. Louis County Board of Commissioners. Corrections employees shall participate in the Corrections Officers Unit Emergency Sick Leave Bank and Communications employees shall participate in the Civil Service Basic Unit Emergency Sick Leave Bank.

Section 2. An employee shall not be eligible to draw from the Sick Leave Bank unless the employee enters into a Sick Leave Bank Reimbursement Agreement, on a form prepared by the Employer, which: (1) acknowledges that the Employer has not agreed, by contract

or otherwise, to compensate the employee any amount in excess of the employee's regular wages; (2) requires the employee to reimburse the Sick Leave Bank 100% of the funds received; (3) authorizes and directs the Employer to deduct the amount drawn from the Sick Leave Bank from the wage loss proceeds, if any, awarded in a workers' compensation proceeding or from any other funds designated in the executed Sick Leave Bank Reimbursement Agreement; and (4) includes any other provisions applicable to the individual employee's specific request.

Such unpaid childcare leave shall be taken following termination of any paid leave used by the employee under the Family and Medical Leave Act (FMLA) entitlement. Per Employer FMLA Policy, the use of appropriate accrued sick leave, vacation and personal leave is required during the twelve (12) week FMLA entitlement. Parental leaves must be taken within the twelve (12) month period following the child's birth or adoption. When both parents are employees of the County, the parental leave shall be divided, upon request of the employee, in accordance with this Article and the FMLA.

ARTICLE 21 - HOSPITALIZATION, MEDICAL AND DENTAL INSURANCE

Any description of insurance benefits contained in this Article is intended to be informational only and the eligibility for benefits shall be governed by the terms of the insurance plan and not by this Agreement. The Employer's only obligation is to pay such amounts as agreed to herein and no claim shall be made against the Employer as a result of a denial of insurance benefits by the insurance plan administrator, except in case of error by the Employer in reporting information to the administrator.

Section 5. Participants in an approved job sharing arrangement may, by mutual agreement between the job share participants, apportion the health care and dental benefits for which the job share position is eligible. Apportionment shall be limited to either (a) one (1) employee receiving all of the benefit and the other none; or (b) the two (2) employees splitting the benefit equally.

Section 6. Prorated Employer Contribution for Eligible Part-Time Employees. All newly-appointed eligible part-time employees (new County employees, full-time employees moving to part-time status, and part-time employees changing positions) will receive a prorated Employer contribution to the premiums for health, dental and life coverage based on the full-time equivalent of the position to which they are appointed.

Thereafter, the proration amount for the following insurance year will be recalculated at the end of each payroll year. The proration amount will be equal to the percentage of the employee's full time equivalent - based on the actual hours in payroll status during the previous payroll year. For this purpose, "payroll status" includes regular hours worked, the straight time equivalent of overtime hours worked, and any paid leave time.

Section 1. Employees who are temporarily disabled by work-related injuries recognized under the Minnesota Compensation Law shall be paid, in addition to benefits provided under the Workers Compensation Law, such additional sums as to make up the difference between Workers Compensation benefits and their regular net pay, without shift differential, and such additional payments shall not be charged against the employee's sick leave, vacation pay, or personal leave time. This benefit shall continue so long as the employee is determined, under Workers Compensation Laws, to be temporarily totally disabled, but not to exceed six months from the date of injury.

If any employee uses sick leave pursuant to this agreement, and is subsequently awarded workers' compensation benefits for the same period, the Employer is authorized to deduct from workers' compensation wage loss benefits the amount of sick leave received by the employee, less the sick leave which the employee would be eligible to receive pursuant to Section 1 of this Article.

Section 2. While an employee is receiving loss of wage benefits under the Worker's Compensation Act (temporary total or temporary partial disability benefits), the Employer shall continue to pay the Employer's share of hospitalization-medical insurance premiums for both single and family dependent premiums, together with the premiums on the employee's life insurance, and such payments shall continue even though the employee has exhausted the benefits provided in Paragraph 1 above and all sick leave, vacation and personal leave benefits. Such payments shall end upon the issuance of a notice of discontinuance of benefits by the Commissioner of the Department of Labor and Industry or upon the employee being declared permanently totally disabled.

ARTICLE 23 - PRORATED BENEFITS

A permanent or probationary employee hired or placed into a part-time position after ratification of the 1996-97 contract will receive prorated holidays, personal leave, vacation, and sick leave under this Agreement. After completion of one thousand (1,000*) hours worked at straight time, the proration of benefits will be determined in the following manner: In the first incomplete calendar year, the one thousand (1,000*) hours will be divided by the number of pay periods to determine the average hours per pay period. The average hours per pay period will be divided by eighty (80) to determine the percentage of proration for the remaining months of the calendar year. In the first complete calendar year, the number of straight time hours worked will be divided by the number of pay periods worked in the preceding year to determine the average number of hours worked per pay period. The average number of hours worked per pay period will be divided by eighty (80) to determine the percentage of proration. Annually, thereafter, straight time hours worked in the preceding year (twenty-six (26) pay periods ending with the last complete pay period before December 1) will be divided by two thousand eighty (2080) to determine the percentage of proration. An employee hired prior to ratification of the 1996-1997 contract will continue to be subject to the eligibility requirements previously in effect, including the one thousand (1,000) hour rule so long as the employee remains in a full-time position or in the part-time position the employee occupied at the time of ratification of the 1996-1997 agreement. [*four hundred eighty nine (489) hours for group hospitalization insurance for employees hired or placed into a part-time position after ratification of the 2002-2003 contract.]

ARTICLE 24 - PROBATION, SENIORITY

Section 1. In the St. Louis County Sheriff's Department, seniority shall be determined by the employee's length of continuous service within the St. Louis County Sheriff's

Department. In the St. Louis County Communications Department, seniority shall be determined with reference to the seniority list attached to the February 24, 1988 letter of agreement as Exhibit A and thereafter based on continuous service within the St. Louis County Communications Department. Additional seniority rosters will be maintained on the basis of time in grade.

Section 2. Current seniority lists showing the names, length of service dates and promotional dates shall be furnished the Union every twelve (12) months with a copy of same posted on the Department bulletin board.

Section 3. Layoff shall be in orderly fashion in strict accordance with the established seniority roster per classification first, and second by total departmental time in the inverse order of hiring, and rehiring shall be in the inverse order of layoff. Written notice of layoff contemplated shall be served upon the employees, and a copy to the Union, at least ten (10) working days, except in case of emergency, prior to such layoff.

Section 4. The probation period for all new and promotional employees hired shall be six (6) months for full-time employees and the later of six (6) months or one thousand (1,000) hours paid service for part-time employees, unless extended by the Department Head, not to exceed one (1) year. Anytime during the extended probation period a Department Head may decide to accept the employee as qualified. During the initial probationary period the Employer shall have the unqualified right to discharge an employee and the employee shall not have recourse to the grievance procedure nor shall the Employer's action be deemed to be a breach of this Agreement for any purpose whatsoever.

ARTICLE 25 - TRANSFERS

Section 1.

Subp. a. When a vacancy arises in the St. Louis County Jail facilities due to death, retirement, removal or increase of force, any individual of the same rank may apply for a transfer from his present location and the most senior applicant with regard to time in rank, shall be transferred. It is agreed and understood that the Department Head shall have discretion with regard to work assignments within each duty station. If there are no applicants for transfer and the Department Head does not fill the vacancy from the employment list, then the least senior, qualified employee shall be transferred. No compensation shall be paid for such transfer. It shall be the duty of the Sheriff to notify each unit employee in writing of any such open position not less than fifteen (15) nor more than sixty (60) days prior to filling such opening.

Subp. b. Notice of a vacancy in the Communications Department will be posted on bulletin boards at the Communications Department's work site at least five (5) days prior to closing of applications for such vacancy. Employees in the department and in the same classification may request consideration for the vacancy by submitting a memorandum to

the Human Resources Department within the stated time limit. All employees submitting such a memorandum within the stated time limit will be interviewed for the posted vacancy. Requests received after the stated time limit will only be given consideration if the appointing authority is still interested in considering additional candidates. The appointing authority has the discretion to select one of the interested candidates or none of the interested candidates. Applicants who are not selected will be notified.

Section 2. No transfer shall be made for disciplinary reasons or without good cause.

Section 3. To meet an emergency situation or for training purposes, the employer may transfer personnel without regard to seniority, but such transfer shall not be for more than ninety (90) days. When transfer is made to meet an emergency situation or for training purposes to a location twenty (20) miles or more from the home of the employee so transferred, he/she shall be compensated for actual expenses to a maximum of thirty and no/100 dollars (\$30.00) per day pursuant to county travel and expense policies, in addition to his/her regular pay.

ARTICLE 26 - UNION SECURITY, DUES

Section 1. Each employee may become a member of the Union.

Section 2. The Employer shall deduct at each payroll period an amount sufficient to provide the payment of dues or service or maintenance fees established by the Union from the wages of all employees when presented by the Union, in writing, authorizing said deductions and shall remit such deductions to the appropriate officer designated by the Union. The Union agrees to indemnify and hold Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer as a result of any action taken at the written request of the Union pursuant to this Section.

ARTICLE 27 - UNION MEETINGS

Section 1. For Corrections employees, the Employer agrees to allow reasonable time off with no loss of pay to two (2) negotiating committee members and a negotiator, if and when negotiations are scheduled at a time when committee members or the negotiator are on duty. The Employer also agrees to allow a reasonable number of Communications Department employees to participate in negotiations pursuant to the St. Louis County/AFSCME Council 96 Lost Time Agreement.

Section 2. Upon written request of the employee, arrangements shall be made to permit leave without pay from duty not to exceed a one (1) week duration, but limited to three (3) employees from among Deputy Sheriff-Corrections Officers and Deputy Sheriff Sergeant-Corrections Officers and no more than three (3) employees from the St. Louis Communications Department at any one time for representatives of the Union at international, state or district meetings.

Section 3. Union officers shall have access to the premises to talk with the employees but agree herein not to interfere with the normal operations of the Employer at any time.

ARTICLE 28 - GRIEVANCE PROCEDURE

A grievance shall be defined as a dispute or disagreement as to the interpretation or application of any term or terms of this contract, including all disciplinary actions. Grievances as so defined shall be processed in the following manner:

Section 1. Within twenty-one (21) calendar days after the first occurrence of the event giving rise to the claimed violation, the employee, the employee's representative, or both, shall submit the grievance in writing to the employee's supervisor, who shall within ten (10) calendar days give his/her answer in writing.

Section 2. If the grievance is not settled in Step 1 and the employee wishes to appeal the grievance, it shall be submitted in writing to the Department Head within ten (10) calendar days after receipt of the answer from the Step 1 proceedings herein. The written grievance shall set forth the nature of the grievance, the facts upon which it is based, the provision or provisions of the agreement allegedly violated and the relief requested. Within ten (10) calendar days of receipt of such written grievance, the Department Head shall arrange a meeting with the employee, the employee's representative, or both, at a mutually agreeable time to discuss the matter. If the grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by both the Department Head and the employee. If no settlement is reached, the Department Head shall submit his/her written decision to the Union with ten (10) calendar days following said meeting.

The Employer and the Union may agree to submit the grievance to voluntary grievance mediation prior to submitting the grievance to Step 3. The agreement to mediate must occur within the time limit for submitting the grievance to Step 3 and the time limit for submitting the grievance to Step 3 shall not be extended in the absence of an agreement to mediate.

Section 3. If the grievance is not settled in Step 2, the Union may appeal in writing to the County Grievance Board within ten (10) calendar days after receipt of the written answer of the Department Head. Within fourteen (14) calendar days of receipt of such written grievance, the County Grievance Board shall schedule a hearing into the matter, after the close of which it shall render its decision no later than fourteen (14) calendar days thereafter.

Section 4. If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to arbitration within ten (10) calendar days after receipt of the County Grievance Board's decision by requesting the Bureau of Mediation Services to submit a panel of seven (7) arbitrators. The Employer and the Union shall have the right

to alternately strike three (3) names from the panel with the party striking the first name to be determined by a flip of a coin. The remaining arbitrator shall be notified of their selection and requested to set a time and place for the hearing subject to the availability of the Employer and the Union representative.

Section 5. The arbitrator shall have no right to amend or modify, nullify, ignore, add to or subtract from the provisions of this Agreement. The arbitrator shall consider only the specific issues submitted in writing by the Employer and the Union and shall have no authority to make decisions on any other issue not so submitted. The arbitrator shall be without power to make decisions contrary to, inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law under state or federal statutes. If the arbitrator finds that the grievance concerns matters not covered by this Agreement or the procedures contained herein have not been adhered to, the arbitrator shall return the matter to the parties without decision. The decision of the arbitrator shall be final and binding on all parties.

Section 6. The fees and expenses of arbitration shall be divided equally between the Employer and the Union.

Section 7. If a grievance is not presented within the time limits set forth above, it shall be considered waived. If the grievance is not appealed within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limits in each step may be extended either upon good cause shown or by mutual written agreement between the Employer and the Union representative involved in each step.

ARTICLE 29 - RETIREMENT

Section 1. The Employer agrees to permit retired employees to be continued on the then existing hospitalization and insurance programs provided they qualify for retirement under the rules and regulations of PERA or Coordinated Plans established by state law and are otherwise eligible to continue coverage under Minn. Stat. §471.61.

Section 2. The Employer has adopted a policy providing for the implementation of a Post-Retirement Health Care Savings Plan for qualifying employees covered by this agreement. Pursuant to that policy, to qualify for participation in the Post-Retirement Health Care Savings Plan, an employee must, at retirement, have been employed by the Employer for five consecutive years immediately prior to retirement, and qualify for and receive retirement benefits under the rules and regulations of the Public Employees Retirement Association or other appropriate State of Minnesota sponsored retirement fund, or Social Security.

Pursuant to the Post-Retirement Health Care Savings Plan policy, the Employer shall, upon a qualifying employee's retirement, deposit the cash equivalent of the employee's accumulated, unused sick leave and accumulated, unused vacation into the employee's account with the plan.

Accumulated, unused sick leave shall be an amount equal to the number of hours, not to exceed 1900 (1150 for employees hired July 1, 2013 and after), of unused sick leave multiplied by the employee's hourly base pay rate during the last payroll period prior to retirement. Accumulated, unused vacation shall be an amount equal to the number of hours of unused vacation time multiplied by the employee's hourly base pay rate during the last payroll period prior to retirement.

Prior to an employee's retirement, the Employer shall provide the employee with notice of his/her accrued vacation. The employee may utilize his/her vacation in full prior to retirement. If the employee does not qualify for the Post-Retirement Health Care Savings Plan, the employee shall, upon retirement, be paid in full for all accrued vacation. If the employee does qualify for the Post-Retirement Health Care Savings Plan, the employee shall have the cash equivalent of the employee's accrued vacation deposited into the employee's account pursuant to the Employer's Post-Retirement Health Care Savings Plan policy.

In the event that an employee is legally qualified to be exempt from the Post-Retirement Health Care Savings Plan and the employee's application for exemption is approved by the Plan Administrator, then in lieu of any of the above-referenced payments on behalf of the employee to a Post-Retirement Health Care Savings Plan account, the employee shall receive a taxable cash severance payment calculated as follows:

First, from the employee's accumulated, unused sick leave, calculate the lesser of one-half of the employee's accumulated, unused sick leave or the cost of the maximum life insurance benefit available to the employee under the employee's collective bargaining contract, when the life insurance is purchased as paid up life insurance. This amount shall be designated as the "option amount." The employee shall next designate the portion of the option amount which the employee wishes to use to purchase paid up life insurance. From the balance of the option amount, after deduction of the life insurance cost, shall be subtracted an amount equal to any Employer's FICA tax payable on the option amount. The remaining balance of the option amount shall then be paid to the employee as a cash payment, subject to withholding deductions required by law (e.g. employee's FICA, State and Federal income tax, etc.).

It is the parties' intention that in no event shall payment of the option amount, whether received as paid up life insurance or cash severance, result in a FICA tax payment by the Employer which cannot be fully deducted from the option amount.

Adoption of the policy shall not be construed as a waiver of the Employer's position that employer contributions to Post-retirement Health Care Savings Plans are not a mandatory topic of negotiations. The Employer may amend or repeal the policy at any time; provided, however, if the Union objects to the Employer's amendment or repeal, the Union shall be entitled, upon written notice to the Employer, to reinstate the terms of Article 28 of the 2000-2001 collective bargaining agreement in lieu of the Post-Retirement Health Care Savings Plan.

Section 3. The Employer agrees to pay the employer's pension share as provided under Minnesota Law for payment into the P.E.R.A. Fund or the PERA Social Security Coordinating Plan for those employees having either plan, and to deduct the employees share as required by the same pension law.

ARTICLE 30 - SPECIAL SCHEDULE AGREEMENTS

The Employer and the Union may enter into Special Schedule Agreement(s) which, when approved and executed by the Employer and the Union, shall constitute an addendum to this collective bargaining agreement. Attached hereto are the Special Schedule Agreements which were in effect as of ratification of the current collective bargaining agreement.

ARTICLE 31 - COPIES

The Employer shall make available to each present and new employee a copy of this Agreement.

ARTICLE 32 - AMENDMENTS

This Agreement may be amended by mutual consent of the parties hereto, provided, however, that the amendments shall be in writing.

ARTICLE 33 - SAVINGS CLAUSE

This Agreement is subject to the laws of the United States, the State of Minnesota, and its sole divisions. In the event any provision of this Agreement shall be held to be contrary to said laws by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, or is contrary to a federal or state administrative ruling or is found to be in violation of legislation or administrative regulations, such provisions shall be voided. All other provisions shall continue in full force and effect. The voided provision shall be renegotiated at the request of either party.

ARTICLE 34 - TERM, RENEWAL AND RENEGOTIATION

This Agreement shall continue in full force and effect from January 1, 2015 through December 31, 2016. This Agreement shall continue in full force and effect until modified by the parties. Either party hereto shall give the other written notice sixty (60) days prior to the expiration of this contract of its desire to renegotiate the Agreement. During the negotiation period, this Agreement shall continue in full force and effect. If efforts at negotiation are not successful, matters shall be submitted to mediation or arbitration in the manner provided by the law of the State of Minnesota.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.

Dear Mr. Loeffler-Kemp:

This letter will confirm the agreement between St. Louis County and AFSCME Council 5, Local 1934 and Local 66, on behalf of the St. Louis County Jail Corrections Officers/Communication Department Essential Employees Unit regarding payouts of compensatory time under Article 6, Section 1, being paid into an employee's deferred compensation account.

Non-probationary active employees have the option, exercisable by completing and returning to the County Auditor's Office, within the time limits prescribed by the County Auditor's Office, a deferred compensation authorization form, to have the amount of the employee's compensatory time payout pursuant to Article 6, Section 1, directly paid into the employee's deferred compensation account. The employee must have enrolled in the deferred compensation account prior to the payout, in accordance with the requirements of the County Auditor's Office. The payment will be in addition to any amount which the employee has previously designated to be paid out of the employee's regular wages into the employee's deferred compensation account, subject to the statutory maximum contribution. Employees who have left employment with St. Louis County are not eligible for this optional payment into the deferred compensation account. Wage garnishments, wage withholding orders, and other legally binding deductions take precedent over the terms of this Letter of Understanding.
