PUBLIC WORKS & TRANSPORTATION COMMITTEE NO. 1

SEPTEMBER 8, 2015 BOARD AGENDA NO. 1

DATE: September 1, 2015 **RE:** Naming the Ely Joint Public Works Facility for Former Commissioner Mike Forsman

FROM: Kevin Z. Gray
County Administrator

ACTION REQUESTED:

The St. Louis County Board is requested to rename the Ely Joint Public Works Facility as the “Michael D. Forsman Public Works Facility” in honor of former St. Louis County Commissioner Mike Forsman.

BACKGROUND:

Throughout his 20-year tenure on the St. Louis County Board, Commissioner Mike Forsman was a strong advocate for transportation projects and funding. He made countless trips to St. Paul and Washington, D.C., testifying and working to gain support not just for St. Louis County infrastructure needs, but for all of Minnesota.

Commissioner Forsman built a close working relationship with Congressman James Oberstar and sought to follow the late congressman’s example of focusing on the importance of transportation, often citing a favorite line of Representative Oberstar that “there are no Democratic roads and there are no Republican roads.”

Commissioner Forsman was a longtime Board Member of the Transportation Alliance, from 1998-2013, supporting and participating in numerous Alliance-sponsored events, including the annual Transportation Day at the state capitol, the Washington, D.C. Fly-in and the Alliance Annual Meeting/Construction Forecast event. He held officer roles including Secretary in 2009, Vice-president in 2010 and President in 2011. He also served on the Alliance Executive Committee from 2009-2012 and the Legislative Committee from 1998 through 2014.

He chaired the County Board’s Public Works Committee for 10 of his 20 years on the Board, most recently from 2010-13, which included the tremendous work that resulted from the 2012 flood that devastated parts of our and neighboring counties. Other transportation-related committees on which he served include the Arrowhead Regional Transportation Advisory Committee, the ARDC Trunk Highway 53 Corridor Study, the AMC District 1 Policy Committee on Transportation and Infrastructure and the St. Louis/Lake Counties Regional Railroad Authority.

In addition to advocating for state and federal funding for transportation needs, Commissioner Forsman also prioritized the use of local dollars. His voting record as a commissioner includes supporting some unpopular levy increases in order to generate needed funds for local road and bridge projects throughout the county.

Commissioner Forsman did not seek reelection, and retired at the end of his last term in 2014. But, before retiring, he was honored as the 2014 recipient of the “William Koniarski Transportation Advocate Award,” from the Minnesota Transportation Alliance. This award is presented periodically to an individual or unit of government from the public sector that has shown outstanding leadership and commitment on behalf of improving Minnesota’s transportation infrastructure.

Therefore, it is absolutely fitting to honor this tireless transportation advocate by renaming the joint Public Works facility located in his home town of Ely, MN, as the “Michael D. Forsman Public Works Facility.”

RECOMMENDATION:

It is recommended that the St. Louis County Board rename the Ely Joint Public Works Facility as the “Michael D. Forsman Public Works Facility” in honor of former St. Louis County Commissioner Mike Forsman, recognizing his continuous dedication to the transportation needs of St. Louis County and the state of Minnesota.

HEALTH & HUMAN SERVICES COMMITTEE

SEPTEMBER 8, 2015 BOARD AGENDA NO. 5

DATE: September 8, 2015 **RE:** Request for Reconsideration of
Health Plans Selected by the
State

FROM: Kevin Z. Gray
County Administrator

Ann M. Busche, Director
Public Health & Human Services

RELATED DEPARTMENT GOALS:

Adults will be self-sufficient, providing for their own welfare and that of their children.

ACTION REQUESTED:

The St. Louis County Board is requested to exercise its option pursuant to Minn. Stat. § 256B.69, subd. 3a(d) and request reconsideration of the Department of Human Services (DHS) Commissioner's decision of the health plans selected for Prepaid Medical Assistance Program and Minnesota Care.

BACKGROUND:

The Minnesota Department of Human Services contracts with managed care organizations for the delivery of basic health care services for individuals who are on Medical Assistance and MinnesotaCare. DHS recently issued a Request for Proposals (RFP) for counties throughout the state. Public Health and Human Services Department (PHHS) staff was involved in the development of the question set for the RFP and evaluated the answers provided using a scoring tool provided by the state. Based on those results, the County Board adopted Resolution No. 15-351 recommending Medica and UCare be selected to provide services within St Louis County.

The state subsequently selected Blue Cross Blue Shield and Health Partners, an action that requires the approximately 29,000 individuals within the county that are currently enrolled in PMAP or MinnesotaCare to select a new plan prior to January 1, 2016. It is estimated that the selection of these two health plans will result in \$150,000 to \$275,000 in additional expenses to the local property taxpayers. There appears to be neither regard for nor reimbursement of these additional expenses by the state. In addition, these citizens will experience a potentially painful and confusing application/change process that is a great hardship for them without any explained benefit.

For these reasons, and in consultation with the County Administrator and Chair of the Health and Human Services Committee, a request for reconsideration was sent to the Department of Human Services by PHHS. The response deadline of August 31 did not

allow the Board to take official action; however, should the Board wish not to exercise its option and request reconsideration, a withdrawal of the request will be made by PHHS.

RECOMMENDATION:

It is recommended that the St. Louis County Board exercise its option pursuant to Minn. Stat. § 256B.69, subd. 3a(d) and request reconsideration of the DHS Commissioner's decision of the health plans selected for Prepaid Medical Assistance Program and Minnesota Care.
