

Nail Polish –

Disposal – When you can't use it up, dry it out. Open the cap and allow the contents to dry in an outside area away from children, pets, and sources of heat or flame. Once the contents are completely dry and hardened, the container can be thrown in the trash. If you don't have a ventilate place to dry it out, bring it to the [Household Hazardous Waste Facility](#) for proper disposal. Do not put it in the trash.

Nail Polish Remover –

Safe storage – Always keep nail polish remover out of the reach of children and pets, and away from heat or flame sources.

Disposal – Bring to the [Household Hazardous Waste Facility](#) for proper disposal. Do not put in the trash.
