

Certificate of Liability Insurance

A certificate of insurance must be on file with the Land and Minerals Department before any work is commenced. A certificate of insurance is a document issued by or on behalf of an insurance company to a third party who has not contracted with the insurer to purchase an insurance policy. The certificate must be signed by an authorized insurance representative as it verifies to the Certificate Holder what insurance policy and coverages are in place at the time the certificate is issued.

St. Louis County must be named as a certificate holder (the Certificate Holder is the agency requesting proof of a certain type of insurance) on the general liability insurance (see Illustration 1).

The certificate should be sent to:

St. Louis County Land and Minerals Department

Offered by Commissioner: Sweeney*

**Reduced Tort Liability Requirements
for Timber Sale and Aggregate Contracts**

WHEREAS, Minn. Stat. § 466.04 establishes the maximum tort liability for municipalities on claims arising on or after January 1, 2009, at \$500,000 per individual claim and \$1.5 million per occurrence for any number of claims arising out of a single occurrence on or after July 1, 2009; and

WHEREAS, the St. Louis County Board has determined that it is in the best interest of the county to establish a policy with respect to tort liability insurance requirements for timber sales and aggregate contractors; and

WHEREAS, the County Board feels it is necessary to provide adequate opportunity so that representatives of the Minnesota timber industry contractors may petition the state legislature for relief from the maximum tort liability insurance requirements.

NOW, THEREFORE, BE IT RESOLVED, that the St. Louis County Board establishes that all timber sale and aggregate contracts requiring tort liability insurance shall include proof of insurance in the amount currently purchased by the contractor but not less than \$300,000 per individual claim and \$1 million for any number of claims arising out of a single occurrence, effective immediately.

RESOLVED FURTHER, that this tort liability insurance requirement shall be the policy of the St. Louis County Board until such time as representatives of the Minnesota timber industry contractors are successful in receiving relief from the state legislature from the maximum tort liability insurance requirements established in Minn. Stat. § 466.04.

Commissioner Sweeney moved the adoption of the Resolution and it was declared adopted upon the following vote:
