## QUESTIONS

### 1 WHAT IF A BID FALLS THROUGH?

We reserve the right to block/ban bidders who refuse to pay for land purchased. A winning bid constitutes a legally binding contract. Failure to make payment and submit paperwork within the allotted time frame may result in the sale going to the next highest bidder.

### 2 ONCE A PROPERTY IS ACQUIRED, IS THERE A REDEMPTION PERIOD BEFORE I CAN TAKE POSSESSION?

There is no redemption period once a property is acquired. Once your payment has been received, the property is yours.

### 3 WHAT TYPE OF DOCUMENT IS ISSUED UPON SALE?

Once the financial obligations, paperwork, and property conditions are satisfied, a deed is issued and recorded by St. Louis County.

## COUNTY FEE LAND SALES - REVENUE GENERATED

### WHAT HAPPENS TO THE MONEY THAT IS BROUGHT IN FROM COUNTY FEE LAND SALES?

100% of the county fee land sale revenue goes to St. Louis County's General Fund.

## FAQs

### How do I know if I am outbid?

As soon as a bid is placed higher than yours, you will be notified by email that you have been outbid. If you have placed a proxy bid, you are only notified once someone has beat your maximum amount.

### How do I know if I have won?

After an auction ends, the winning bidder will receive an email from Public Surplus telling them they have won. Do not pay from the Public Surplus notification – St. Louis County does not charge sales tax on land sales. The St. Louis County Land and Minerals Department will send you an email asking for a completed Registration Form in order to prepare your sale paperwork correctly and calculate the correct amount owed. It is your responsibility to promptly respond in order to complete the transaction in a timely manner.

### How does proxy bidding work?

Proxy bidding means you set the maximum amount that you are willing to pay for a tract and Public Surplus automatically increases your initial bid for you in set increments. For example: an item that you would like to bid on is currently listed at \$60 with an increment level of \$5; you don't want to pay more than \$100. The proxy bid will set your first bid at \$65 so that you are the winning bidder. If another bid is made for \$75, the proxy bid will automatically increase your bid amount to \$80. It will continue until it reaches your maximum bid amount of \$100. If you have been outbid, you will receive notification through email.

### Keep in mind:

St. Louis County reserves the right to block/ban bidders who refuse to pay for land purchased. Failure to complete registration or make payment and submit paperwork within 10 calendar days may result in the item going to the next highest bidder.

The failure or omission of any bidder to inspect the site or examine any form, instrument, or document shall in no way relieve any bidder from any obligation in respect to their bid.

Remember: Your bid is the same as a contract - Please only bid on land you are serious about buying. **Bogus bidders will be blocked!** A winning bid constitutes a legally binding contract.
