

ENVIRONMENTAL REVIEW DATA REQUEST

To: St. Louis County Economic and Community Development
From:
Subject: Environmental Review Record (ERR) Request
Date:

In order for St. Louis County to initiate the environmental review required for this project, the following information must be provided. Please forward this form to the St. Louis Economic and Community Development: by e-mail at communitydevelopmentinfo@stlouiscountymn.gov

REQUESTED INFORMATION FOR ENVIRONMENTAL REVIEW PROCESS

Mailing Address of Property: (list street intersections if not yet addressed)

Legal Description: (attach a copy of the legal description and include the parcel code)

PIN

Year of Construction: (if existing dwelling)

Project Description: (acquisition, rehab, new construction, demolition, combination; if rehab, provide a scope of work to be completed)

Anticipated Project Funding Sources:

NOTICE: St. Louis County will provide notice to proceed when the ERR process has been completed. Failure to wait for this notice will make the project ineligible for funding from the St. Louis County CDBG or HOME Programs.

This limitation applies to all funding awarded to the project, not just St. Louis County CDBG or HOME. No funding, regardless of source, may be spent on the project until notice to proceed is provided.
