

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

Things to Remember:

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2019 Continuum of Care (CoC) Program Competition. For more information see FY 2019 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2019 CoC Program NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2018 Project Application will be imported into the FY 2019 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2019 CoC Program Competition NOFA.

## Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the "Submit Without Changes" process.

In general, HUD expects a project's proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Data can be imported into a FY 2019 renewal project application from a FY 2018 new or renewal project application. For a project application that did not import last year's FY 2018 information, e-snaps will automatically be set to "Make Changes" and all questions on each screen must be updated.

Renewal projects that select "Fully Consolidated" on the Grant Consolidation screen may not use the "Submit Without Changes" process and esnaps will automatically be set to "Make Changes". However, if the applicant selects "Individual Renewal", this project application(s) can use the "Submit Without Changes" process. In addition, esnaps will automatically be set to "Make Changes" if the project applicant indicates on the Renewal Expansion Screen, this project application is for a "Combined Renewal Expansion" project application. However, the stand-alone renewal expansion project application(s) can use the "Submit Without Changes" process.

The e-snaps screens that remain "open" for required annual updates and do not affect applicants' ability to select "Submit without Changes" are:

- Recipient Performance Screen;
- Renewal Expansion Screen;
- Renewal Grant Consolidation Screen;
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in "Read-Only" format and should be reviewed for accuracy; including any updates that were made to the 2018 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select "Submit Without Changes" in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: "Submission Without Changes" Screen, select "Make Changes", and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks "Save", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and esnaps navigation guides found on the HUD Exchange to find more in depth information about applying under the FY 2019 CoC Competition.

## **Recipient Performance**

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** No

## Renewal Expansion

As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Expansion. This process can combine up to 1 stand-alone renewal project application and 2 stand-alone new expansion project applications into 1 combined renewal expansion project application. This means recipients no longer need to combine expansion data in CoC Post-Award. Renewal projects that are part of an expansion must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 GIW or eLOCCS, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a combined renewal expansion in the FY 2019 CoC Program Competition? "If "No" click on "Next" or "Save & Next" below to move to the next screen.

No

## Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2019 CoC Program Competition? No  
If "No" click on "Next" or "Save & Next" below to move to the next screen.

### 1. Provide a description that addresses the entire scope of the proposed project.

Bill's House is a housing facility located in Virginia, MN and serves households in rural St. Louis County. The facility consists of 6 units with 12 beds; 8 beds dedicated as transitional and 4 are emergency shelter beds. HUD Transitional housing funds are dedicated to the 8 transitional housing beds. Transitional housing is provided annually to on average 55 participants who, during the intake process, meet the homeless eligibility criteria set forth by HUD and do not have the resources to resolve their situation. This program was designed as a shorter term transitional housing; therefore the average stay is lower than longer-term transitional housing projects and a large number of people are served every year. The transitional housing population at Bills House come from the emergency shelter beds. This project will continue to assist both individuals and families experiencing homelessness transition to permanent housing and self-sufficiency through the coordinated entry process. A household's stay on an average is between 90 and 120 days. AEOA will provide initial stabilization service including completing an intake with participants to gather demographic information, verify homelessness, appropriate placement and any other information on housing needs. Upon completion of the intake process, the case manager makes a preliminary needs assessment to assist in connecting participants with appropriate services including medical services, substance abuse treatment or mental health services, assisting in enrolling children in area schools and AEOA's Head Start Program. AEOA collaborates with Range Transitional Housing, Range Mental Health Center, Lotus Corporation, Bois Forte Reservation, St Louis County and Legal Aid to assist households reach self-sufficiency and their individual goals through comprehensive case management, resource referral and housing navigation. Case managers work with participants to develop a self-reliance program; setting both short-term and long-term goals. Funds from this grant will pay for operations including maintenance, utility costs, furnishings, supplies and staff costs providing safety and maintenance.
