

University of Minnesota Extension offering free Food Preservation Webinars

Saint Cloud, MN (7/10/2020) – Were you one of the many people that decided to try your hand at gardening this summer? Whether you are a novice or an experienced gardener, or just interested in enjoying the freshness of summer all year long, we invite you to learn more about preserving your harvest. Please join Suzanne Driessen, University of MN Extension Food Safety Educator as she presents free webinars on food preservation.

Dates, times and registration links to the free webinars are as follows:

- *How to Freeze Food for Safe and Tasty Results*, July 16, 2020, 10-11 am; Register: <https://z.umn.edu/freezefood>
- *Basics of Home Canning: Safety First*, July 22, 2020, 4-5 pm, Register: <https://z.umn.edu/homecanning>
- *Pickling: It's Not Just for Cucumbers!* July 30, 2020; 2-3 pm, Register: <https://z.umn.edu/homepickling>
- *Preserving Tomatoes*, August 3, 2020; 4-5 pm, Register: <https://z.umn.edu/preservingtomatoes>
