NOTICE OF ST. LOUIS COUNTY DECORATIVE PRODUCTS SEALED BID AUCTION

Notice is hereby given that the St. Louis County Auditor shall sell to the highest bidder the designated timber located on the following described parcels of land forfeited to the State for the nonpayment of taxes, which have been classified and appraised as provided by Minnesota Statutes 282.04, Subd. 1(a); and that this auction may include other lands which the St. Louis County Land and Minerals Department is authorized to manage, subject, in part, to the following conditions:

1. To be eligible to bid at a St. Louis County Timber auction, a Responsible Operator Application Form must be on file at any of our Land and Minerals Department offices at least **two (2) working days prior** to the auction. An application can be obtained at any Land and Minerals Department Office.
2. The timber will be sold to the highest bidder but for not less than the total appraised **Tract Value**. A bid value per unit must be indicated for each species listed. This bid value will be applied to each specie. Bid value per unit must meet or exceed the appraised bid value per unit. St. Louis County reserves the right to accept or reject any or all bids.
3. All bid forms must be received, in hand at the Land and Minerals Department Pike Lake Area office **by 4:00 P.M. on July 30th**. All bids must be on the official bid form. It is the full responsibility of the bidder to make sure the bid arrives at the Pike Lake office by the deadline.
4. A \$300 bid bond, i.e. personal check, payable to the **St. Louis County Auditor** is required and must be included with the bid form. One bid bond will cover all tract bids and will be returned if the bids are not the successful bidder. For a successful bidder, the bid bond will be applied to the down payment on the first tract awarded.
5. Successful bidders will have **ten (10) business days** to submit a check, payable to the County Auditor, for **25%** of the appraised tract value for each tract awarded. Failure to make any or all of these down payments on time will result in the forfeiture of the bid bond. Successful bidders will be notified by mail.
6. Successful bidders using a Letter of Credit to secure the purchase of a sale will have **ten (10) business days** to provide the Letter of Credit to the Land and Minerals Department. A \$300 bid bond, i.e. personal check, payable to the St. Louis County Auditor is required and must be paid the day of the auction. One bid bond will cover all purchased tracts that will be secured by Letter of Credit.
7. Should the successful bidder not submit the down payment on time, the sale may be awarded to the next highest bidder. In the case of tie bids, the successful bidder will be decided by the toss of a coin by a deputy auditor.
8. St. Louis County has developed an Environmental Management System to assist it in meeting the Sustainable Forestry Initiative (SFI) standard and is certified to this standard.
9. Some of the tracts may have special requirements. Prospective bidders should get maps, cutting regulations, contract information and special regulations at the applicable Area Office. If there is conflict between the Timber Sale Package and this advertisement, the Timber Sale Package is the controlling document.
