4. Reallocation - Grant(s) Reduced Details

Instructions:

For guidance on completing this form, please reference the FY 2023 CoC Priority Listing Detailed Instructions and FY 2023 CoC Priority Listing Navigational Guide on HUD's website. https://www.hud.gov/program_offices/comm_planning/coc/competition.

4-1 Complete the fields below for each eligible renewal grant that is being reduced during the FY 2023 reallocation process. Refer to the FY 2023 Grant Inventory Worksheet to ensure all information entered is accurate.

Reduced Project Name: Rapid Rehousing CHUM FY 2-23
Grant Number of Reduced Project: MN0304L5K092209
Reduced Project Current Annual Renewal Amount: \$125,379
Amount Retained for Project: \$75,000
Amount available for New Project(s): \$50,379
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

CHUM took over administration on the RRH project two years ago from Duluth HRA and has struggled since to integrate the program into their agency. CHUM has not had a staff member running this program in almost a year and decided not to hire for the position. CHUM recently began contracting with Salvation Army to run the program and will transfer the funding to TSA to administer as soon as HUD approves them to do so. Proposal to reallocate a portion of this budget prior to the transfer to Salvation Army as both TSA and CHUM have a history of returned funds in the two grant cycles. The Ranking & Review Committee voted to reallocate \$50,379, which leaves Salvation Army with enough to serve 5 households. This would mean 15 total households served once added to the current TSA RRH project.

4-1 Complete the fields below for each eligible renewal grant that is being reduced during the FY 2023 reallocation process. Refer to the FY 2023 Grant Inventory Worksheet to ensure all information entered is accurate.

Reduced Project Name: St. Francis Permanent Supportive Housing FY 2023
Grant Number of Reduced Project: MN0235L5K092212
Reduced Project Current Annual Renewal Amount: \$307,567
Amount Retained for Project: \$200,000
Amount available for New Project(s): \$107,567
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

Decision to reallocate a total of \$107,000 from this project, leaving CHUM \$200,000 for rent and services at St. Francis Apartments. This number was determined based on a history of returning funds. The Ranking & Review committee agreed that the amount of reallocated funding should be closer to the amount of the average returned funds from this project. The Ranking & Review committee discussed CHUM's goal of moving a part of the budget into a support services budget line item moving forward and agreed that a budget of \$200,000 leaves room in the budget to cover rent and some support services.

4. Reallocation - Grant(s) Reduced Details

Amount Retained for Project: \$412,558
Amount available for New Project(s): \$23,500
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

MHC's combined rental assistance grant is a rural voucher based rental assistance program that relies on private landlords for most of their rental units. RMHC has a history of returning funds to HUD and most often report that this is due to inability to find landlords and difficulty in verifying rural homelessness which slows down move-in times. Last year RMHC voluntarily reallocated \$27,500 back to the CoC but continue to return funds. It is likely they will return funds again this year. The Ranking & Review committee approved the voluntarily reallocation amount of \$23,500 from this project. This acknowledges that RMHC voluntarily reallocated \$27,500 last year and continues to work on finding the right size budget for this project and has a plan for onboarding new households in this project.
