REAL ESTATE TAXES AND VALUATION

TAX-FORFEITED PROPERTY IS TAX EXEMPT UNTIL SOLD

When a tax-forfeited property is sold, it is returned to the tax rolls. Purchasers of tax-forfeited land will be responsible for paying property taxes the year after their purchase.

ASSESSOR'S OFFICE

Assessors estimate property market values, classify properties according to their use, and review valuations on a regular basis. Contact 218-726-2304 for valuation questions.

AUDITOR'S OFFICE

The Auditor's Office determines tax rates, calculates taxes, and collects taxes. St. Louis County provides the option to pay your property taxes in two installments according to the property's classification. There are a variety of options for submitting your property tax payments. For property tax questions or for an estimate, contact 218-726-2383.

ADDITIONAL INFORMATION

- The properties being offered for sale were once privately owned, but forfeited to the state due to failure to pay real estate taxes. St. Louis County manages State of MN tax-forfeited properties in St. Louis County.
- Tax-forfeited lands are either reserved for conservation purposes or disposed of through a classification system that is determined by the county board and approved by the Commissioner of Natural Resources (Minnesota Department of Natural Resources).
- When a parcel forfeits, county board resolution determines its classification, upon approval of the Commissioner of Natural Resources (Minnesota Department of Natural Resources). When a parcel is classified as nonconservation, it can be sold for private ownership via auction.
- Properties identified for auction are sold to the highest bidder; however, not for less than the sale price listed.
- When a parcel is classified as conservation, it is retained for natural resource management, such as timber production, mining, public recreation, and environmental benefits.
- Minerals in tax-forfeited land and tax-forfeited stockpiled metallic minerals or materials are subject to mining (mineral rights). Mineral rights are retained by the State of Minnesota.

CONGRATULATIONS ON YOUR WINNING BID!

Here are the next steps to complete your transaction after the auction, and other responsibilities you assume as buyer. Each property is unique and some may have additional requirements or special circumstances.

PUBLIC SURPLUS

- You will receive an email from Public Surplus after the auction closes. This will confirm your winning bid. **DO NOT PAY** the amount generated by Public Surplus, as it does not include the required fees. St. Louis County Land and Minerals will provide the correct amount due (see below).

ST. LOUIS COUNTY

Once you receive your paperwork, paperwork must be signed and returned to us with payment in full within 10 calendar days.

FAQ'S

How do I know if I am outbid?

As soon as a bid is placed higher than yours, you will be notified by email that you have been outbid. If you have placed a proxy bid, you are only notified once someone has beat your maximum amount.

How do I know if I have won?

After an auction ends, the winning bidder will receive an email from Public Surplus telling them they have won. Do not pay from the Public Surplus notification – St. Louis County does not charge sales tax on tax-forfeited land sales. The St. Louis County Land and Minerals Department will send you an email asking for a completed Registration Form in order to prepare your sale paperwork correctly and calculate the correct amount owed. It is your responsibility to promptly respond in order to complete the transaction in a timely manner.

How does proxy bidding work?

Proxy bidding means you set the maximum amount that you are willing to pay for a tract and Public Surplus automatically increases your initial bid for you in set increments. For example: an item that you would like to bid on is currently listed at \$60 with an increment level of \$5; you don't want to pay more than \$100. The proxy bid will set your first bid at \$65 so that you are the winning bidder. If another bid is made for \$75, the proxy bid will automatically increase your bid amount to \$80. It will continue until it reaches your maximum bid amount of \$100. If you have been outbid, you will receive notification through email.

Keep in mind:

St. Louis County reserves the right to block/ban bidders who refuse to pay for land purchased. Failure to complete registration or make payment and submit paperwork within ten (10) business days may result in the item going to the next highest bidder.

The failure or omission of any bidder to inspect the site or examine any form, instrument, or document shall in no way relieve any bidder from any obligation in respect to their bid.

Remember: Your bid is the same as a contract - Please only bid on land you are serious about buying. **Bogus bidders will be blocked!** A winning bid constitutes a legally binding contract.

DISCLAIMERS & TERMS

Land and Minerals Department St. Louis County, Minnesota

11. PROPERTY CONDITION:

A. SOLD "AS IS": All properties are sold "as is" and may not conform to local building and zoning ordinances. St. Louis County makes no warranty that the land is "buildable". Buyers will be required to sign the "Buyer's 'As Is' Addendum" as part of the Terms of Sale, which will be available for review prior to the auction.

B. LEAD: Some properties may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. If you are interested in purchasing a single-family dwelling built prior to 1978, you have the right to conduct a risk assessment or inspection for lead-based paint hazards at your expense at least ten (10) days before the sale date. Please contact the Land and Minerals Department, Government Services Center, 320 West 2nd Street, Suite 302, Duluth, MN 55802, Phone No. 218-726-2606, to arrange a time to conduct such assessment or inspection.

Every buyer of an interest in residential real property is notified that the property may present exposure to dangerous levels of indoor radon gas that may place the occupants at risk of developing radon-induced lung cancer. Radon, a Class A human carcinogen, is the leading cause of lung cancer in nonsmokers and the second leading cause overall. The seller of any interest in residential real property is required to provide the buyer with any information on radon test results of the dwelling. St. Louis County has not performed and is not aware of any radon testing on properties offered for sale, unless otherwise noted. The county will provide a copy of the Minnesota Department of Health's "Radon in Real Estate Transactions" publication to any buyer of residential tax-forfeited property.
