THEREFORE, BE IT RESOLVED, That the St. Louis County Board authorizes the appropriate County officials to execute a contract with Champion Forestry Service, Bemidji, MN, for

\$147,795.03 for Bud Capping Application on state tax forfeited lands during the fall of 2020, in accordance with the specifications of Bid No. 5627, payable from Fund 290, Agency 290001, and subject to approval by the County Attorney.

Adopted August 11, 2020. No. 20-415

WHEREAS, The St. Louis County Board desires to offer for sale, as recommended by the Land Commissioner, certain parcels of land that have forfeited to the State of Minnesota for non-payment of taxes; and

WHEREAS, The parcels as described in County Board File No. 61334 have been classified as non-conservation as provided for in Minn. Stat. Chapter 282.01; and

WHEREAS, These parcels are not withdrawn from sale pursuant to Minn. Stat. §§ 85.012, 92.461, 282.01, Subd. 8, and 282.018, and other statutes that require the withholding of state tax forfeited lands from sale; and

WHEREAS, The Commissioner of Natural Resources has approved the sale of these lands, as required by Minn. Stat. § Chapter 282; and

WHEREAS, Minn. Stat. § 282.016(c) authorizes the county auditor to prohibit persons or entities from becoming a purchaser, either personally or as an agent or attorney for another person or entity, of tax forfeited properties offered for sale if the person or entity owns another property within the county for which there are delinquent taxes owing; and

WHEREAS, Minn. Stat. § 282.01, Subd. 4(c), authorizes the County Board to provide for the listing and sale of individual parcels by other means, including through a real estate broker, notwithstanding the public sale provisions in Minn. Stat. § 282.01 Subd. 7. This subdivision shall be liberally construed to encourage the sale and utilization of tax forfeited land in order to eliminate nuisances and dangerous conditions and to increase compliance with land use ordinances; and

WHEREAS, Minn. Stat. § 282.01, Subd. 13, authorizes the County Board, or the County Auditor if the auditor has been delegated such authority, to sell tax forfeited lands through an online auction. When an online auction is used to sell tax forfeited lands, the County Auditor shall post a physical notice of the online auction and shall publish a notice of the online auction on its website not less than ten days before the online auction begins, in addition to any other notice required; and

WHEREAS, Minn. Stat. § 282.135 authorizes the County Board to delegate to the County Auditor any authority, power, or responsibility relating generally to the administration of tax forfeited land, including developing the necessary policies and procedures to implement the sale of individual tax forfeited parcels by alternative methods as permitted by Minn. Stat. § 282.01 Subd. 4(c).

THEREFORE, BE IT RESOLVED, That the St. Louis County Board authorizes the County Auditor to offer the state tax forfeited lands described in County Board File No. 61334 for sale at public or online auction with prohibited purchaser and bidder conditions, starting at the fair market value in accordance with terms set forth in the Land and Minerals Department policy, and in a manner provided for by law. Funds from the auction are to be deposited into Fund 240 (Forfeited Tax Fund).

RESOLVED FURTHER, That the St. Louis County Board authorizes the County Auditor to continue to reoffer individual unsold parcels at periodically adjusted prices based on market conditions to the general public through an over-the-counter listing rather than a public sale, or through an online auction until the parcels are sold or withdrawn by the County Auditor.

NOTICE OF ST. LOUIS COUNTY PUBLIC ORAL TIMBER AUCTION

Notice is hereby given that the St. Louis County Auditor shall sell to the highest bidder the designated timber located on the following described parcels of land forfeited to the state for the nonpayment of taxes, which have been classified and appraised as provided by Minnesota Statutes 282.04, Subd. 1(1982), subject, in part, to the following conditions:

1. To be eligible to bid at a St. Louis County Timber Auction, a Responsible Operator Application Form must be on file at the St. Louis County Land and Minerals Department, 320 West 2nd Street, Suite 302, Duluth, MN 55802, at least **two (2) working days prior** to the auction. An application can be obtained at any Land and Minerals Department Office.
2. A minimum of **fifteen (15) percent** of the appraised value shall be paid at time of contract signing. Contract signing and billing for the down payment will occur after the auction through the mail. The remaining balance shall be paid prior to entry. **REQUIRED DOWN PAYMENT IS SPECIFIED ON LIST.**
3. Minimum bid shall be the appraised value of the sale. Bids shall be at one (1) or more percent over and above the appraised prices. The final percent bid is to be added to the price of each kind of timber advertised, unless otherwise stipulated in individual contract regulations. Species denoted as No Bid will not be subject to the percent bid increase.
4. Many of the tracts have special requirements. The St. Louis County Land and Minerals Department offers sales of various sizes, species and products to meet the needs of a wide variety of purchasers. There are some sales offered on this auction that allow the purchaser to decide if they want to purchase the sale as offered, either all species scaled or a mix of scaled and SOAV species, or choose to have all the species sold as SOAV. These are identified with the following sentence in the comments of each tract: "The purchaser has the option to purchase this sale as advertised or to purchase all species as Sold On Appraised Volume (SOAV)". **If there is any conflict between the Timber Sale Package and this advertisement, the Timber Sale Package is the controlling document.** The Timber Sale Package contains maps, volume and values, contract information and harvest provisions, and is available at the applicable AREA OFFICE listed below or on the county website:
