NOTICE OF ST. LOUIS COUNTY DECORATIVE PRODUCTS SEALED BID AUCTION

Notice is hereby given that the St. Louis County Auditor shall sell to the highest bidder the designated timber located on the following described parcels of land forfeited to the State for the nonpayment of taxes, which have been classified and appraised as provided by Minnesota Statutes 282.04, Subd. 1(1982) subject, in part, to the following conditions:

- To be eligible to bid at a St. Louis County Timber auction, a Responsible Operator Application Form must be on file at the St. Louis County Land and Minerals Department, 320 West 2nd Street, Suite 302, Duluth, MN 55802, at least **2 working days prior** to the auction. An application can be obtained at any Land and Minerals Department Office.
- The timber will be sold to the highest bidder, but for not less than the total appraised **Tract Value**. A **bid value per unit** must be indicated for each species listed. This bid value will be applied to each specie. Bid value per unit must meet or exceed the appraised bid value per unit. St. Louis County reserves the right to accept or reject any or all bids.
- All bid forms must be received in the Land Commissioner's Office **by 4:30 P.M. on August 4th**. All bids must be on the official bid form and sealed in an envelope.
- A \$300 bid bond, i.e. personal check, payable to the **St. Louis County Auditor** is required and must be included in the envelope with the bid form. One bid bond will cover all tracts and will be returned if the bids are not the successful bidder. For a successful bidder, the bid bond will be applied to the down payment on the first tract awarded.
- Successful bidders will have **10 days** to submit a check, payable to the County Auditor, for the specified down payment of the appraised tract value for each tract awarded. Failure to make any or all of these down payments on time will result in the forfeiture of the bid bond. Successful bidders will be notified by mail.
- Should the successful bidder not submit the down payment on time, the sale may be awarded to the next highest bidder. In the case of tie bids, the successful bidder will be decided by the toss of a coin by the Auditor.
- St. Louis County has developed an Environmental Management System to assist it in meeting the Sustainable Forestry Initiative (SFI) standard and is certified to this standard.
- Some of the tracts may have special requirements. Prospective bidders should get maps, cutting regulations, contract information and special regulations at the applicable Area Office.
