

**OFFICIAL PROCEEDINGS OF THE MEETING  
OF THE BOARD OF COUNTY COMMISSIONERS  
OF THE COUNTY OF ST. LOUIS, MINNESOTA,  
HELD ON JULY 13, 2021**

The Board of County Commissioners of the County of St. Louis, Minnesota, met this 13<sup>th</sup> day of July 2021, at 9:31 a.m., at Fortune Bay Resort, Tower, Minnesota, with the following members present: Commissioners Patrick Boyle, Ashley Grimm, Paul McDonald, Keith Musolf, Keith Nelson and Chair Mike Jugovich - 6. Absent: Commissioner Frank Jewell - 1.

Chair Jugovich asked for a moment of silence in remembrance of all victims of violence, foreign and domestic; followed by the pledge of allegiance. Chair Jugovich acknowledged the effort and sacrifices that frontline workers have made during the pandemic.

Commissioner McDonald thanked Jaylen Strong for the tour of the Bois Forte Heritage Center and Cultural Museum and introduced Bois Forte Band Tribal Chairwoman, Kathy Chavers. Chairwoman Chavers welcomed the Board to Bois Forte and commented that these meetings help build bridges and partnerships with Commissioners and residents.

Chair Jugovich opened the meeting to persons who wish to address the Board concerning issues not on the agenda. Sue Drobac, of Tower, said that Greenwood Township is in the process of looking at broadband options. Ms. Drobac said that the estimated project cost is \$6.4 million and asked the county to consider funding \$300,000 of the project. Ms. Drobac noted that Greenwood Township has \$97,000 in a community fund for broadband use. Rich Floyd, of Ely, Eagles Nest Township Supervisor Chair, spoke in opposition of allowing an All-Terrain Vehicle (ATV) route through Eagles Nest Township. Mr. Floyd cited safety concerns and noted the town board passed a resolution in opposition of the route. Jane Clements, of Ely, commented that she opposed the ATV route through Eagles Nest due to personal safety on the proposed roads. Mark Kawell, of Ely, commented that allowing ATV use on roads through Eagles Nest Township would impact the residents' privacy and be a burden to people who live in the area. John Flaten, of Ely, commented that he did not believe ATVs should be allowed to use the road and noted that there were multiple occasions in which vehicles have gone off the road due to excessive speed. Nick Wognam, of Ely, provided a handout to the Board and proposed that the Taconite Trail be opened, which would allow the ATV trail to bypass roads in Eagles Nest Township. Mr. Wognam noted that the MN Department of Resources (DNR) has the authority to make that change and asked that the County Board pass a resolution requesting that the DNR open that section of the Taconite Trail. Tim Decker, of Ely, said that there are approximately 120 residents that use the proposed roads to enter and exit their property and noted there is heavy opposition to allowing ATV use on the roads in Eagles Nest Township. Robert Stoehr, Veterans of Foreign Wars (VFW) 8<sup>th</sup> District Commander, commented that he appreciated the organization of the Veterans Court. Frank Zobitz, of Tower, asked that the Board support the broadband initiative due to the impact to students and businesses.

Commissioner McDonald, supported by Commissioner Grimm, moved to approve the consent agenda. The motion passed; six yeas, zero nays, one absent (Jewell).

Commissioner Boyle, supported by Commissioner McDonald, moved to consider a resolution to authorize the County Attorney, or a person designated by the County Attorney, to cast St. Louis

County's vote in favor of confirmation of Purdue Pharma's proposed plan of reorganization; the item had not been to Committee of the Whole. The motion passed; six yeas, zero nays, one absent (Jewell).

Commissioner Boyle, supported by Commissioner Musolf, moved that the St. Louis County Board authorizes the County Attorney, or a person designated by the County Attorney, to cast St. Louis County's vote in favor of confirmation of Purdue Pharma's proposed plan of reorganization. St. Louis County Attorney Mark Rubin commented that this is one defendant of many lawsuits that have been filed. Attorney Rubin said that if the \$5 billion settlement is approved, approximately \$57 million would be distributed to the State of Minnesota; state and local officials would have to agree on how the funds would be distributed throughout the state. Attorney Rubin noted that any settlement funds received would have to be used to abate opioid addiction. After further discussion, the motion passed; six yeas, zero nays, one absent (Jewell). Resolution No. 21-412.

The following Board and contract files were created from documents received by this Board:
