**Re: Transportation Request for Proposals**

Dear Provider:

St. Louis County Public Health and Human Services is soliciting proposals for partners to provide transportation management coordination services to meet Social Service needs of clients served throughout St. Louis County.

We hope that your organization is willing to review the enclosed RFP documentation and submit a proposal to provide the requested services. Please review the RFP forms sent to you and develop a proposal by laying out the information requested in section VII. on page 5, making sure to clearly address each of the items for your Provider Response in section VII., including your replies to the Supplemental Questions included in Section IV.C. of pages 3 and 4.

**Please return your proposal to Eric Blomstrom (email preferred [blomstrom@stlouiscountymn.gov](mailto:blomstrom@stlouiscountymn.gov)) or in hard-copy to the address below, by the proposal submission deadline of 9/27/19.**
