2. BIDDING AND SALES:

A. PROCESS: All properties will be sold to the highest responsible bidder at auction. Bidding will begin at the minimum bid specified on the list. If a property is not sold at auction, it may be for sale over-the-counter on a first come, first served basis, or go to an online auction. The county reserves the right to reject any bidder who has defaulted on a land sale contract, is a prohibited buyer, or is a bidder as defined below.

B. PROHIBITED BUYERS OR BIDDERS: Pursuant to Minnesota Statutes § 282.016, the following persons or entities shall not be allowed to register or participate in the auction, either personally, or as an agent or attorney for a prohibited person or entity: 1) district court administrators, county auditors, treasurers, assessors, or supervisors of assessments, land commissioners or assistant land commissioners for tax-forfeited lands, or any deputies or employees of any of the above individuals, 2) a person or entity that owns another property within St. Louis County for which there are delinquent taxes owing, 3) a person or entity that has held a rental license in St. Louis County and the license has been revoked within five years of the date of the auction, or 4) a person or entity that has been a vendee of a contract for purchase of a property offered for sale under Chapter 282, which contract has been canceled within 5 years of the date of the auction. A person prohibited from purchasing property must not directly, or indirectly, have another person purchase a property on behalf of the prohibited buyer for the prohibited buyer's benefit or gain. If a person or entity pre-registers for the auction, the county will perform a search upon receipt of the registration forms to determine if the applicant is a prohibited buyer or bidder. If found to be a prohibited bidder or buyer, notification and explanation will be sent prior to the day of the auction. Those who are prohibited will not be permitted to register or bid on properties at auction. For a person or entity that registers on the day of the auction, the county will perform a search to determine if the applicant is a prohibited buyer or bidder. 11. PROPERTY CONDITION:

A. SOLD "AS IS": All properties are sold "as is" and may not conform to local building and zoning ordinances. St. Louis County makes no warranty that the land is "buildable". It is the sole responsibility of prospective buyers to be fully informed prior to purchasing. Buyers are encouraged to contact the local land use and zoning authority where the properties are located for information about building codes, zoning laws, or other municipal information that may affect the properties. Buyers will be required to sign the "Buyer's 'As Is' Addendum" as part of the Terms of Sale, which will be available for review prior to the auction.

B. LEAD: Some properties may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. If you are interested in purchasing a single-family dwelling built prior to 1978, you have the right to conduct a risk assessment or inspection for lead-based paint hazards at your expense at least ten (10) days before the sale date. Please contact the Land and Minerals Department, Government Services Center, 320 West 2nd Street, Suite 302, Duluth, MN 55802, Phone No. 218-726-2606, to arrange a time to conduct such assessment or inspection.

C. RADON WARNING STATEMENT: The Minnesota Department of Health strongly recommends that ALL homebuyers have an indoor radon test performed prior to purchase or taking occupancy, and recommends having the radon levels mitigated if elevated concentrations are found. Every buyer of an interest in residential real property is notified that the property may present exposure to dangerous levels of indoor radon gas that may place the occupants at risk of developing radon-induced lung cancer. Radon, a Class A human carcinogen, is the leading cause of lung cancer in nonsmokers and the second leading cause overall. The seller of any interest in residential real property is required to provide the buyer with any information on radon test results of the dwelling. St. Louis County has not performed and is not aware of any radon testing on properties offered for sale, unless otherwise noted. The county will provide a copy of the Minnesota Department of Health's "Radon in Real Estate Transactions" publication to any buyer of residential tax-forfeited property.

D. TESTING: Buyers are able to obtain authorization from St. Louis County to perform soil testing, at their own expense, before purchasing a property. The sale will not be rescinded if soil problems of any type are discovered after the sale.

E. TITLE: Neither the county nor the State of Minnesota warrants the condition of title. Buyer will receive documentation regarding purchase at the time of sale and/or the Commissioner of Revenue will issue a deed from the State of Minnesota after full payment is made. Tax forfeiture will create a break in the chain of title. SELLER CONVEYS TAX TITLE, and the services of an attorney may be necessary to make the title marketable.

F. HAZARD MATERIALS INDEMNIFICATION: The buyer shall indemnify St. Louis County and/or the State of Minnesota for environmental contamination arising or resulting from the buyer's use and occupancy of the purchased property.

G. HISTORY: St. Louis County makes no representations regarding the history or condition of the properties offered for sale. It is the buyer's sole responsibility to research the history and condition of any property that buyer wishes to purchase.

12. MORTGAGES AND OTHER LIENS: Regarding unsatisfied recorded mortgages and other liens: It is advised that all buyers consult a real estate attorney prior to purchasing tax-forfeited properties with unsatisfied mortgages and/or other liens held against them.

13. LEGAL COUNSEL: In order to protect your legal interests, we recommend that you consult with a real estate attorney regarding installment contracts, title issues, boundary issues, assessments, mortgages, and other legal matters.

14. ACCESS: ST. LOUIS COUNTY MAKES NO REPRESENTATIONS, WARRANTIES, OR GUARANTEES WITH RESPECT TO ACCESS TO TAX-FORFEITED PROPERTIES OFFERED FOR SALE. ALL PROPERTIES ARE SOLD AS IS, WITHOUT WARRANTIES OR REPRESENTATION OF ANY KIND.
