

Fencing Workshop

Tuesday September 29th, 2020

Hosted and Sponsored by

Northland Farm Supply

with

The Northeast Forage and Grassland Council and Aitkin/Carlton Farm Bureau

This event focuses on innovative techniques and high quality materials to build a highly effective, long lasting and cost-effective fence. Instruction will be provided by Isaac Bertram, Owner of Northland Farm Supply, and other local educators.

Woven wire and high tensile electric fence methods will be addressed.

Kencove Fence Co. products and construction techniques will be highlighted.

Cost: Free to attend. Lunch will be provided. Door Prizes!

Location: Northland Farm Supply at 5685 County Road 4, Cromwell, MN

Time: Tuesday, September 29th 2020; 9AM—3 PM

RSVP: By September 22nd to Isaac Bertram (218) 821-1627

Attendance will be limited to 20 people, but please RSVP even if filled so we can plan more workshops like this.
