SAINT LOUIS

Conventional Subdivision-PRELIMINARY PLAT

APPLICATION St. Louis County, Minnesota

Reference #

About: Nearly all land divisions in Minnesota are regulated by local authorities. St. Louis County Ordinance 60 regulates the subdivision of land outside of municipalities (cities). For properties under the county's land use jurisdiction, the Planning and Community Development Department can tell you if your parcel is being created properly, and if it conforms to subdivision and zoning requirements. For more information, see our website at: https://www.stlouiscountymn.gov/departments-a-z/planning-development/land-use/subdividing-property

| AGREEMENT | | | | | | | | | | | | | |
| By submitting this application, I certify and agree that I am the owner or the authorized agent of the owner of the above property, and that all uses will conform to the provisions of St. Louis County. I further certify and agree that I will comply with all conditions imposed in connection with the approval of the application. Applicants may be required to submit additional property descriptions, property surveys, site plans, building plans and other information before the application is accepted or approved. Intentional or unintentional falsification of this application or any attachments thereto will make the application, any approval of the application and any resulting permit invalid. I authorize St. Louis County staff to inspect the property to review the application and for compliance inspections. Furthermore, by submitting this application, I release St. Louis County and its employees from any and all liability and claims for damages to person or property in any manner or form that may arise from the application or any related plans, the issuance of any resulting permit or the subsequent location, construction, alteration, repair, extension, operation or maintenance of the subject matter of the application. | | | | | | | | | | | | | |

Conventional Subdivision Reference

About: <u>Conventional Subdivision Plat</u> - A pattern of subdivision development that is characterized by lots that are spread uniformly throughout a parcel in a lot and block design, as per Minnesota Statutes, Chapter 505. <u>Preliminary Plat</u> - A map and related written materials, documents and information required by the Ordinance and/or Director in order to adequately review a proposed subdivision.
