# Northern Garden Fest

October 21st at the Embarras Town Hall 1-4 pm

# St. Louis County Extension presents **Northern Garden Fest**

Fall is a great time to evaluate your garden's performance and to make adjustments and improvements for next year. Soil testing and building soil fertility are good examples of fall activities that will reward you next season. Fall is also a great time to plant garlic. We'll give you some great tips to make it a successful crop. We're also going to talk about the best composting methods and dealing with a universal northern Minnesota problem—deer control. Bring your comments, suggestions, and questions for an enlightening discussion of fall gardening activities!

**Attendees will receive the brand new  
*Garden Fest "Bountiful Beans" Cookbook and Resource Guide.***

**Tuesday, October 21      Embarrass Town Hall      \$20 per person
