

GROW together

FAMILY GARDENING FUN

Join us for an evening of fun and educational gardening activities. Learn how to grow a successful garden in northern Minnesota.

We'll have some great hands on activities and breakout classes for both adults and youth.

City Center West/
Evergreen Center
5830 Grand Ave. in Duluth
5:30-8:30 pm
\$20 per family

This program is a fun and informative night of gardening for families and individuals. If you have struggled to keep your garden growing or are just getting started this evening is for you! The classes will be instructed by St. Louis County Extension Horticulture Educators and Master Gardeners.
