

ENVIRONMENTAL REVIEW DATA REQUEST

To: St. Louis County Planning and Community Development
From:
Subject: Environmental Review Record (ERR) Request
Date:

In order for St. Louis County to initiate the environmental review required for this project, the following information must be provided. Please forward this form to the St. Louis Community Development Office: by e-mail to nelsonst@stlouiscountymn.gov or by hard copy to 201 South 3rd Avenue West, Virginia, MN 55792.

REQUESTED INFORMATION FOR ENVIRONMENTAL REVIEW PROCESS

Mailing Address of Property: (list street intersections if not yet addressed)

Legal Description: (if more convenient, attach a copy of the legal)

Year of Construction: (if existing dwelling)

Project Description: (acquisition, rehab, new construction, demolition, combination)

Anticipated Project Funding Sources:

**** Please provide:**

- 3 photographs of the site/structure - front & back or front & side views.

NOTICE: St. Louis County will provide notice to proceed when the ERR process has been completed. Failure to wait for this notice will make the project ineligible for funding from the St. Louis County CDBG or HOME Programs.

This limitation applies to all funding awarded to the project, not just St. Louis County CDBG or HOME. No funding, regardless of source, may be spent on the project until notice to proceed is provided.
