This Institution is an
Equal Opportunity Provider

Note: Childrens Dental Services offers portable dental care for children ages birth to 18 years, and pregnant women regardless of insurance. Those clients who do have insurance, including MA, are eligible for preventive dental care up to age 21 years. This is available through the following Iron Range school districts: Virginia, Mesabi East, Hibbing, & Chisholm. Preventive dental care services are provided on site during the school day. Contact the school nurse for the consent form or call (612) 746-1530 for further information.
