**Opposition to House of Representatives Bill 1505**

WHEREAS, House of Representatives Bill 1505 (H.R. 1505), the National Security and Federal Lands Protection Act, appears to have the positive intent of helping secure our nation's borders, however, upon closer examination it has become abundantly clear to us that the bill has numerous unintended consequences and fatal flaws; and

WHEREAS, H.R. 1505 particularly grants the federal Department of Homeland Security (DHS) extraordinary authority especially over states with abundant public land ownership, regardless of whether such lands are owned by the federal, state or local government; and

WHEREAS, H.R. 1505 grants unprecedented authority in one federal agency (DHS) at a level that is clearly unnecessary which will result in an unimpeded usurpation of states' rights; and

WHEREAS, H.R. 1505 provides state and local governments few, if any, opportunities to comment or weigh in on proposed actions; and

WHEREAS, H.R. 1505 would also waive certain laws to all sections of the international and maritime borders within 100 miles of our nation's northern and southern border including a provision that certainly calls into question the public's persistent concerns about the erroneous ways of utilizing a "one size fits all" misguided approach to governance.

NOW, THEREFORE, BE IT RESOLVED, that the St. Louis County Board encourages the entire Minnesota Congressional Delegation to vote "no" should this legislation reach the floor of either respective body. Furthermore, we encourage the author(s) of this legislation to either withdraw this bill from Congressional consideration or at the very least to substantially rework its language so that our northern border states are exempt from the vast majority of its overly onerous, impractical and Constitutionally violating provisions.
