Portion of Haines Road to close for utility repair

A segment of Haines Road will be closed for repairs beginning Monday, July 22. Roadway repairs are needed on Haines between Piedmont Avenue/Hermantown Road and Anderson Road, to fix damage caused by a water line break earlier this year. The work is expected to take three days.

St. Louis County Public Works will post a detour on Hermantown Road, Stebner Road and Anderson Road. Delays are likely, and the public is asked to use an alternate route to minimize congestion. Portable changeable message signs will be placed on Haines Road to provide additional warning to traffic.
