Highway 133 detour begins Monday due to culvert replacement work

A 12-mile stretch of Highway 133 in Meadowlands will be closed for approximately three weeks, beginning Monday, July 22. Crews will be replacing culverts along the road between State Highway 73 and Western Avenue (also known as County Road 496). The culvert replacements are the first phase of a multi-year project. Next year, that segment of Highway 133 will be resurfaced.

Approximately 1,000 vehicles travel this road each day. Detour signs will be posted directing traffic to use Highway 73 and CSAH 29 instead.

The public can learn more and sign up to receive e-mail updates on this or any St. Louis County Public Works project by visiting stlouiscountymn.gov/construction.
