### **One road closed, three others affected by spring flooding**

High waters levels are again affecting several roads in southern St. Louis County. The Public Works Department has temporarily closed County State Aid Highway (CSAH) 36, also known as Arnold Road, in Rice Lake Township just south of the Schultz Road.

Meanwhile, three roads have been posted with warning signs due to water on the roadway. These roads are considered passable and remain open at this time. Signs are posted alerting motorists to use caution. They include:

- County Road 890 (Rose Road) in Solway Township approximately a half mile west of Caribou Lake Road.
- CSAH 40 (Pioneer Road) in Normanna Township about a mile east of Lakewood Road.
- CSAH 41 (Two Harbors Road) in Alden Township between Culbertson Road and Laine Road.

Public Works crews are monitoring conditions on these and other roads throughout the County. Anyone who encounters a dangerous road condition is asked to call 9-1-1.
