Detour begins next week for CSAH 133 resurfacing project near Meadowlands

A \$4 million resurfacing project on 11.5 miles of County State Aid Highway (CSAH) 133 near Meadowlands will mean temporary lane closures from now through mid-September, as well as a three week period when the road will be closed to all traffic between County Roads 189 and 193.

The lane closures begin this week. The detour will begin next Monday, July 14, and is expected to last three weeks. Detour signs will be posted directing motorists to use CSAH 29 and Highway 73 to get around the project area.
