Echo Trail to close October 1 for culvert replacement

County State Aid Highway (CSAH) 116, more commonly known as the Echo Trail will close on Wednesday, October 1, while public works crews replace a culvert. The closure will be at a point approximately 5.5 miles east of CSAH 24 where the Echo Trail crosses Camp 97 Creek. The culvert work is expected to last just one day, from 7 a.m. to 6 p.m. However, weather conditions may affect this. Signs are posted on the road indicating the date of the closure. If the date needs to be changed, the signs will be updated to reflect that.

Anyone wishing to be kept informed by email on the closure and any possible changes should contact Steve Krasaway, Resident Engineer, St. Louis County at krasaways@stlouiscountymn.gov or 218-625-3841.
