

NOTICE OF ENACTMENT OF ORDINANCE NUMBER 64
St. Louis County Board of Commissioners

ORDINANCE NUMBER 64
ST. LOUIS COUNTY, MINNESOTA
The Management and Permitting of All-Terrain Vehicles
within the Public Right-of-Way of Roads under the County's Jurisdiction

The St. Louis County Board of Commissioners has adopted Ordinance 64, The Management and Permitting of All-Terrain Vehicles within the Public Right-of-Way of Roads under the County's Jurisdiction. The effective date for this action is May 24, 2016.

Subdivision 1. Purpose and Intent

WHEREAS, Minnesota Statutes §§ 84.92 – 84.928 regulate the operation of all-terrain vehicles; and WHEREAS, Minnesota Statutes §§ 84.928 Subd. 1(a) and 84.928 Subd. 1(k) authorize counties to enact an ordinance which provides for the operation of all-terrain vehicles on a public road or street under its jurisdiction to access businesses and residences and to make trail connections; and WHEREAS, Minnesota Statutes § 84.928 Subd. 6(c)(2) authorizes county board action to enact an ordinance which provides for the operation of all-terrain vehicles on the road right-of-way shoulder, or inside bank or slope of a county highway or county state aid highway if safe operation in the ditch or outside slope is impossible and the county posts the appropriate notice, notwithstanding any law to the contrary; and

WHEREAS, Minnesota Statutes § 84.928 Subd. 1a(h) authorizes a road authority as defined in section 160.02, subdivision 25, to by permit designate corridor access trails on public road rights-of-way for the purposes of accessing established all-terrain vehicle trails; and

WHEREAS, St. Louis County has a general interest in allowing expanded use by all-terrain vehicles of the public road right-of-way of roads under the county's jurisdiction to (1) make connections to businesses, residences and trail connections, and (2) because most ditches and outside slopes are impassible; and

WHEREAS, St. Louis County has an interest in establishing a permit process which allows limited permissive operation of all-terrain vehicles on certain public road right-of-way of roads under the county's jurisdiction in a manner set forth in this ordinance.

Subdivision 3. General Operation

A. On certain county roads, as set forth in Subdivisions 3(B) and 3(C), all-terrain vehicles may operate on the on the right-hand shoulder or the extreme right-hand side of a county road in addition to where all-terrain vehicles are permissible to operate under § 84.928 Subdivision 1, and left-hand turns may be made from any part of the county road if it is safe to do so under the prevailing conditions.

B. All-terrain vehicle operation as set forth in Subdivision 3(A) shall be allowed on all county roads not located within a city.

C. All-terrain vehicle operation as set forth in Subdivision 3(A) shall not be allowed on the right-hand shoulder or the extreme right-hand side of a county road within a city, except as permitted with the county under Subdivision 4(B).

D. After the enactment of this Ordinance, the County Board of Commissioners may by resolution close or restrict any specific county road to all-terrain vehicle use. In addition to the county's customary publication requirements, the county will designate such closure on the Official All-Terrain Vehicle Map which shall fulfill the legal requirements of appropriate public notice.

E. The Public Works Director may in its sole discretion close roads to all-terrain vehicle use if damage to the roadway results or where public safety is adversely affected as a result of all-terrain vehicle use. Actions under this section may be reviewed by the County Board of Commissioners.

F. Except as provided in this Ordinance, all operation of all-terrain vehicles shall be in compliance with Minnesota Statutes §§ 84.92 – 84.928 and Minnesota Rules Chapter 6102, as well as any other applicable Federal, state or local statute, law, rule, regulation or ordinance.

Subdivision 4. Permitting

A. The county may by permit, and upon application by an ATV Club, authorize a corridor access trail within the county road public right-of-way to allow for the operation of all-terrain vehicles on the right-hand shoulder or extreme right-hand side of a county road.

B. The county may by permit, and upon application from an ATV Club that includes a certified resolution of concurrence from the city, authorize all-terrain vehicle operation as set forth in Subdivision 3(A) on county roads within a city. The county shall confer with the city prior to the issuance of the permit. In the event that an ATV Club does not serve the geographical area in which a city is located, the city may apply for the permit.

C. Any permit issued under this subdivision shall be approved by the Executive ATV Permit Committee.

D. Any permit issued under this subdivision may be suspended, modified, terminated or cancelled, by the Public Works Director, in its sole discretion if damage to the roadway results or where public safety is adversely affected as a result of all-terrain vehicle use. Actions under this section may be reviewed by the Executive ATV Permit Committee and are subject to the appeals process set forth in Subdivision 6(A).

Subdivision 5. Official All-Terrain Vehicle Map

A. The map shall be maintained on the county website.

B. The map shall be updated from time to time through action by the Executive ATV Permit Committee or as a result of changes approved by the County Board of Commissioners.
