**RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF
ST. LOUIS COUNTY, MINNESOTA PROVIDING FOR THE ISSUANCE, SALE AND DELIVERY OF
\$38,415,000 GENERAL OBLIGATION CAPITAL IMPROVEMENT BONDS, SERIES 2015C;
ESTABLISHING THE TERMS AND FORM THEREOF; CREATING A DEBT SERVICE FUND
THEREFOR; AND AWARDING THE SALE THEREOF**

BE IT RESOLVED, by the Board of Commissioners (the "Board") of St. Louis County, Minnesota (the "County"), as follows:

Section 1. Purpose and Authorization.

1.01 Under and pursuant to the authority contained in Minnesota Statutes, Section 373.40, and Minnesota Statutes, Chapter 475 (collectively the "Act"), the County is authorized to issue capital improvement bonds to provide funds for capital improvements pursuant to an approved capital improvement plan.

1.02 Pursuant to Resolution No. 15-114 adopted by the Board on March 3, 2015, the Board proposed an amendment to the County's Capital Improvement Plan, stated that it was considering issuing capital improvement bonds to finance capital improvements under the Capital Improvement Plan, as amended, and called for a public hearing to be held on March 24, 2015, regarding the plan amendment and the issuance of capital improvement bonds.

1.03 Following published notice and a public hearing according to the Act, the Board, pursuant to Resolution No. 15-168 adopted on March 24, 2015, approved the Capital Improvement Plan, as amended for the years 2015 through 2019 (the "Plan"), as presented to the Board and on file as County Board Document File No. 60051, and authorized the issuance of general obligation capital improvement bonds in the maximum amount of \$40,000,000 for the purpose of providing funds for the following capital improvements under the Plan and for the payment of costs of issuance of such bonds:

- Road and Bridge Improvements – a portion of the road and bridge improvements identified in the "St. Louis County Greater MN Transportation Sales and Use Tax Transportation Improvement Plan dated November 25, 2014," which is a part of the County's Capital Improvement Plan, as amended (the "Project").

1.04 No petition requesting a vote on the issuance of the bonds authorized pursuant to Resolution No. 15-168 has been filed with the County Auditor in accordance with the Act.

1.05 The Board has determined that it is necessary and expedient to issue its General Obligation Capital Improvement Bonds, Series 2015C (the "Bonds"), in the maximum amount of \$40,000,000 to provide funds to finance the Project and the costs of issuance of the Bonds. The maximum amount of principal and interest to become due in any year on the Bonds and all the outstanding bonds issued pursuant to Section 373.40 of the Act will not equal or exceed 0.12 percent of the estimated market value of property in the County.

1.06 The County has solicited proposals for the sale of the Bonds in the amount of \$40,000,000 and has received and considered all proposals presented pursuant to the Terms of Proposal and has determined that the most favorable proposal is that of Robert W. Baird & Co., Inc. of Milwaukee, Wisconsin (the "Purchaser"). Based on the premium bid of the Purchaser and the limitation on the sale price of obligations, including the Bonds, under Section 475.60, Subd. 1 of the Act, the par amount of the Bonds was resized and the Purchaser agreed to purchase the Bonds in the principal amount of \$38,415,000 at a cash price of \$40,795,437.13, which is within the permissible limitation of the Act, and upon condition that the Bonds mature and bear interest at the times and annual rates set forth in Section 2. The County, after due consideration, finds such offer reasonable and proper and the offer of the Purchaser is hereby accepted. The Chair is authorized and directed to execute on the part of the County a contract for the sale of the Bonds in accordance with the Purchaser's proposal. All actions of the Chair, the County Auditor, the Administrator and Springsted Incorporated, independent municipal advisor to the County, taken with regard to the sale of the Bonds are hereby ratified and approved.

Section 2. Terms, Execution, and Delivery of the Bonds.

2.01 The Bonds to be issued hereunder shall be dated the date of issuance of the Bonds, as the date of original issue, shall be issued in the denomination of \$5,000, or any integral multiple thereof, in fully registered form and lettered and numbered R-1 and upward. The Bonds shall mature on December 1 in the respective years and amounts stated and shall bear interest at the annual rates as follows:

Year	Amount	Interest Rate
2016	\$1,885,000	5.000%
2017	\$1,980,000	5.000%
2018	\$2,080,000	5.000%
2019	\$2,180,000	5.000%
2020	\$2,290,000	2.000%
2021	\$2,335,000	5.000%
2022	\$2,455,000	3.000%
2023	\$2,530,000	5.000%
2024	\$2,655,000	5.000%
2025	\$2,785,000	3.000%
2026	\$2,870,000	3.000%
2027	\$2,955,000	3.000%
2028	\$3,045,000	3.000%
2029	\$3,135,000	3.125%
2030	\$3,235,000	3.250%

2.02 The Bonds maturing in the years 2016 through 2024 shall not be subject to redemption and prepayment before maturity, but those maturing in the year 2025 and in subsequent years shall each be subject to redemption and prepayment at the option of the County on December 1, 2024, and on any day thereafter, in whole or in part, and if in part, at the option of the County and in such manner as the County shall determine. If less than all the Bonds of a maturity are called for redemption, the County, through the Bond Registrar, will notify The Depository Trust Company, New York, New York ("DTC") of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interest in such maturity to be redeemed. All payments shall be at a price equal to the principal amount thereof plus accrued interest. No more than 60 days and no fewer than 30 days prior to the date fixed for redemption and prepayment of any Bonds, notice of redemption shall be mailed to each registered owner of a Bond to be redeemed, at the address shown on the registration books of the County.

2.03 The interest shall be payable semiannually on June 1 and December 1 in each year (each referred to herein as an "Interest Payment Date"), commencing December 1, 2015. Interest will be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The Bond Registrar designated below shall make all interest payments with respect to the Bonds by check or draft mailed to the registered owners of the Bonds shown on the bond registration records maintained by the Bond Registrar at the close of the business on the 15th day (whether or not on a business day) of the month next preceding the Interest Payment Date at such owners' addresses shown on such bond registration records.

2.04 A. The Bonds shall be prepared for execution in accordance with the approved form and shall be signed by the facsimile or manual signature of the Chair and attested by the manual or facsimile signature of the Clerk of the County Board and the County Auditor. In case any officer whose signature shall appear on the Bonds shall cease to be an officer before delivery of the Bonds, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

B. The County Auditor is authorized and directed to obtain a copy of the proposed approving legal opinion of Fryberger, Buchanan, Smith & Frederick, P.A., Duluth, Minnesota, which is to be complete except as to dating thereof and cause the opinion to be printed on or attached to each Bond.

2.05 A. The Board hereby appoints the County Auditor as registrar, paying agent and transfer agent for the Bonds (the "Bond Registrar"). The County reserves the right to name a substitute, successor Bond Registrar upon giving prompt written notice to each registered bond holder. The manual signature of the County Auditor on the Bonds shall be conclusive evidence that it has been executed and delivered under this Resolution.

B. The County shall cause to be kept by the Bond Registrar at its principal office, a bond register in which, subject to such reasonable regulations as the Bond Registrar may prescribe, the County shall provide for the registration of the Bonds and the registration of transfers of the Bonds entitled to be registered or transferred as herein provided. In the event of the resignation or removal of the Bond Registrar or its incapability of acting as such, the bond registration records shall be maintained at the office of the successor Bond Registrar as may be appointed by the Board.

2.06 Book-Entry System.

A. In order to make the Bonds eligible for the services provided by DTC, the County has previously agreed to the applicable provisions set forth in the Blanket Issuer Letter of Representations which has been executed by the County and DTC (the "Representation Letter").

B. Notwithstanding any provision herein to the contrary, so long as the Bonds shall be in Book-Entry Form, the provisions of this Section 2.06 shall govern.

C. All of the Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest on and principal of any Bond registered in the name of Cede & Co. shall be made by wire transfer or New York Clearing House or equivalent same day funds by 10:00 a.m. CT or as soon as possible thereafter following the Bond Registrar's receipt of funds from the County on each Interest Payment Date to the account of Cede & Co. on each Interest Payment Date at the address indicated in or pursuant to the Representation Letter.

D. DTC (or its nominees) shall be and remain recorded on the Bond Register as the holder of all Bonds which are in Book-Entry Form. No transfer of any Bond in Book-Entry Form shall be made, except from DTC to another depository (or its nominee) or except to terminate the Book-Entry Form. All Bonds of such stated maturity of any Bonds in Book-Entry Form shall be issued and remain in a single Bond certificate registered in the name of DTC (or its nominee); provided, however, that upon termination of the Book-Entry Form pursuant to the Representation Letter, the County shall, upon delivery of all Bonds of such series from DTC, promptly execute, and the Bond Registrar shall thereupon authenticate and delivery, Bonds of such series to all persons who were beneficial owners

thereof immediately prior to such termination; and the Bond Registrar shall register such beneficial owners as holders of the applicable Bonds.

The Bond Registrar shall maintain accurate books and records of the principal balance, if any, of each such outstanding Bond in Book-Entry Form, which shall be conclusive for all purposes whatsoever. Upon the execution or the authentication of any new Bond in Book-Entry Form in exchange for a previous Bond, the Bond Registrar shall designate thereon the principal balance remaining on such bond according to the Bond Registrar's books and records.

No beneficial owner (other than DTC) shall be registered as the holder on the Bond Register for any Bond in Book-Entry Form or entitled to receive any bond certificate. The beneficial ownership interest in any Bond in Book-Entry Form shall be recorded, evidenced and transferred solely in accordance with the Book-Entry System.

Except as expressly provided to the contrary herein, the County and the Bond Registrar may treat and deem DTC to be the absolute owner of all Bonds of each series which are in Book-Entry Form (i) for the purpose of payment of the principal of and interest on such Bond, (ii) for the purpose of giving notices hereunder, and (iii) for all other purposes whatsoever.

E. The County and the Bond Registrar shall each give notices to DTC of such matters and at such times as are required by the Representation Letter, including the following:

(i) with respect to notices of redemption; and

(ii) with respect to any other notice required or permitted under this Bond Resolution to be given to any holder of a Bond.

All notices of any nature required or permitted hereunder to be delivered to a holder of a Bond in Book-Entry Form shall be transmitted to beneficial owners of such Bonds at such times and in such manners as shall be determined by DTC, the participants and indirect participants in accordance with the Book-Entry System and the Representation Letter.

F. All payments of principal, redemption price of and interest on any Bonds in Book-Entry Form shall be paid to DTC (or Cede & Co.) in accordance with the Book-Entry System and the Representation Letter in same day funds by wire transfer.

2.07 The principal of and interest on the Bonds shall be payable by the Bond Registrar in such funds as are legal tender for the payment of debts due the United States of America. The County shall pay the reasonable and customary charges of the Bond Registrar for the disbursement of principal and interest.

2.08 If a Bond becomes mutilated or is destroyed, stolen, or lost, the Bond Registrar will deliver a new Bond of like amount, number, maturity date, and tenor in exchange and substitution for and upon cancellation of the mutilated Bond or in lieu of and in substitution for any Bond destroyed, stolen, or lost, upon the payment of the reasonable expenses and charges of the Bond Registrar and the County in connection therewith, including the cost of printing new Bonds; and, in the case of a Bond destroyed, stolen, or lost, upon filing with the Bond Registrar and the County of evidence satisfactory to it and the County that the Bond was destroyed, stolen, or lost, and of the ownership thereof, and upon furnishing to the Bond Registrar of an appropriate bond or indemnity in form, substance, and amount satisfactory to it and the County and as provided by law, in which both the County and the Bond Registrar must be named as obligees. Bonds so surrendered to the Bond Registrar will be canceled by the Bond Registrar and evidence of such cancellation must be given to the County. If the mutilated, destroyed, stolen, or lost Bond has already matured or been called for redemption in accordance with its terms, it is not necessary to issue a new Bond prior to payment.

2.09 Delivery of the Bonds and payment of the purchase price shall be made at a place mutually satisfactory to the County and the Purchaser. Executed Bonds shall be furnished by the County without cost to the Purchaser. The Bonds, when prepared in accordance with this Resolution and executed, shall be delivered by or under the direction of the County Auditor to the Purchaser thereof upon receipt of the purchase price plus accrued interest.

Section 3. Form of the Bonds.

3.01 The Bonds shall be printed or typewritten in substantially the following form:

Interest is payable semiannually on June 1 and December 1 of each year (each referred to herein as an "Interest Payment Date") commencing on December 1, 2015. Both principal hereof and interest hereon are payable in lawful money of the United States of America by check or draft at the main office of the County Auditor, as registrar, paying agent, authenticating agent and transfer agent (the "Bond Registrar"), or at the office of such successor registrar as may be designated by the Board of Commissioners. The Bond Registrar shall make all interest payments with respect to this Bond directly to the registered owner hereof shown on the bond registration records maintained on behalf of the County by the Bond Registrar at the close of business on the 15th day of the month next preceding the Interest Payment Date (whether or not a business day) at such owner's address shown on said bond registration records, without, except for payment of principal on the Bond, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the County to the extent of the payments so made. Payment of principal shall be made upon presentation and surrender of this Bond to the Bond Registrar when due. For the prompt and full payment of such principal and interest as they become due, the full faith and credit of the County are irrevocably pledged.

This Bond is one of a series issued by the County in the aggregate amount of \$38,415,000, all of like date and tenor, except as to number, amount, maturity date and interest rate, pursuant to the authority contained in Minnesota Statutes, Section 373.40 and Minnesota Statutes, Chapter 475, amendments to the County's Capital Improvement Plan approved by the governing board of the County on March 24, 2015 (the "Plan") and all other laws thereunto enabling, and pursuant to an authorizing resolution adopted by the governing body of the County on May 12, 2015 (the "Resolution"). This Bond is issued for the purpose of providing funds to finance road and bridge improvements, as more fully set forth in the Plan. The County has levied a direct, annual ad valorem tax upon all taxable property within the County which shall be extended upon the tax rolls for the years and in the amounts sufficient to produce sums not less than five percent in excess of the amounts of principal and interest on the Bonds, as such principal and interest respectively come due.

The Bonds of this series maturing in the years 2016 through 2024 are not subject to optional redemption before maturity, but those maturing in the year 2025 and in subsequent years are each subject to redemption and prepayment at the option of the County on December 1, 2024, and on any day thereafter, in whole or in part, and if in part at the option of the County and in such manner as the County shall determine and by lot as to Bonds maturing in the same year, at a price of par plus accrued interest. Not less than 30 days nor more than 60 days prior to the date fixed for redemption and prepayment of any Bonds, notice of redemption shall be mailed to each registered owner of a Bond to be redeemed; however, so long as the Bonds are registered in the name of Cede & Co., as nominee for The Depository Trust Company, Jersey City, New Jersey ("DTC"), notice of redemption shall be given in accordance with the terms of the Blanket Issuer Letter of Representations executed by the County and DTC. If any Bond is redeemed in part, upon surrender of the Bond being redeemed, the County shall deliver or cause to be delivered to the registered owner of such Bond, a Bond in like form in the principal amount equal to that portion of the Bond so surrendered not being redeemed.

The Bonds of this series are issued as fully registered obligations without coupons, in the denomination of \$5,000 or any integral multiple thereof. Subject to limitations set forth in the Resolution, the County will, at the request of the registered owner, issue one or more new fully registered Bonds in the name of the registered owner in the aggregate principal amount equal to the unpaid principal balance of this Bond, and of like tenor except as to number and principal amount. This Bond is transferable by the registered owner hereof upon surrender of this Bond for transfer at the principal corporate office of the Bond Registrar, duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Bond Registrar and executed by the registered owner hereof or the owner's attorney duly authorized in writing. Thereupon the County shall execute and the Bond Registrar shall authenticate if required by law or the Resolution, and deliver, in exchange for this Bond, one or more new fully registered Bonds in the name of the transferee, of an authorized denomination, in an aggregate principal amount equal to the unpaid principal amount of this Bond, of the same maturity, and bearing interest at the same rate. No service charge shall be made for any transfer or exchange hereinbefore referred to but the County may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

IT IS CERTIFIED AND RECITED that all acts and conditions required by laws and the Constitution of the State of Minnesota to be done and to exist precedent to and in the issuance of this Bond, in order to make it a valid and binding general obligation of the County in accordance with its terms, have been done and do exist in form, time and manner as so required; that all taxable property within the corporate limits of the County is subject to the levy of ad valorem taxes to the extent needed to pay the principal hereof and the interest thereon when due, without limitation as to rate or amount; and that the issuance of this Bond does not cause the indebtedness of the County to exceed any charter, constitutional or statutory limitation.

Section 4. Covenants, Accounts and Representations.

4.01 The full faith and credit and taxing power of the County are irrevocably pledged for the prompt and full payment of the Bonds and the interest thereon, in accordance with the terms set forth in this Resolution.

4.02 On receipt of the purchase price of the Bonds, the County shall credit \$40,795,437.13 of the proceeds from the sale of the Bonds to a separate construction fund, which is hereby created and designated as the "Series 2015C Capital Improvement Bonds Construction Account" in the Capital Projects Fund (the "Construction Fund"). The Construction Fund shall be used solely to pay costs of construction of the Project, and costs of issuance of the Bonds, as such payments become due.

4.03 A. Debt Service Fund. For the convenience and proper administration of the monies to be borrowed and repaid on the Bonds and to provide adequate and specific security for the Purchaser and holders from time to time of the Bonds, there is hereby created a special fund to be designated the 2015C General Obligation Capital Improvement Bonds Debt Service Fund (the "Debt Service Fund") to be administered and maintained by the County Auditor as a bookkeeping account separate and apart from all other funds maintained in the official financial records of the County. The Debt Service Fund shall be maintained in the manner herein specified until all of the Bonds and interest thereon have been fully paid.

B. To the Debt Service Fund there is hereby pledged and irrevocably appropriated and there shall be credited: (i) \$721,167.89 of the County's funds, as described in Section 4.05; (ii) all investment earnings on funds in the Debt Service Fund; (iii) rounding in the amount of \$0.00; (iv) any taxes levied to pay the principal and interest on the Bonds; and (v) any and all other monies which are properly available and are appropriated by the County to the Debt Service Fund.

The money in the Debt Service Fund shall be used for no purpose other than the payment of principal of and interest on the Bonds. If the balances in the Debt Service Fund are ever insufficient to pay all principal and interest then due on the Bonds, the County Auditor shall nevertheless provide sufficient money from any other funds of the County which are available for that purpose, and such other funds shall be reimbursed from the Debt Service Fund when the balance therein is sufficient.

4.04 A. To assure sufficient monies for the payment of the principal of and interest on the Bonds, there is hereby levied a direct, annual, ad valorem tax upon all taxable property in the County which shall be extended upon the tax rolls and collected with and as part of the other general property taxes in the County for the years and in the amounts as follows:

Levy Year	Collection Year	Tax Levy
2015	2016	\$3,506,430
2016	2017	\$3,507,217
2017	2018	\$3,508,267
2018	2019	\$3,504,067
2019	2020	\$3,505,117
2020	2021	\$3,504,277
2021	2022	\$3,507,690
2022	2023	\$3,509,107
2023	2024	\$3,507,532
2024	2025	\$3,504,645
2025	2026	\$3,506,167
2026	2027	\$3,505,012
2027	2028	\$3,506,430
2028	2029	\$3,505,012
2029	2030	\$3,507,145

B. The tax levies are such that if collected in full they, together with the County's deposit to the Debt Service Fund described in Sections 4.03B and 4.05 and the rounding amount, will produce at least five percent in excess of the amount needed to meet when due the principal and interest payments on the Bonds. Such tax receipts shall be deposited in the Debt Service Fund. If the tax receipts from such levies are ever insufficient to pay all principal and interest on the Bonds when due, the County Auditor shall, nevertheless, provide sufficient monies from other funds of the County which are available and such other funds shall be reimbursed from such tax collections when received.

C. Such tax levies shall be irrevocable as long as any of the Bonds issued hereunder are outstanding and unpaid; provided, however, that prior to November 30 of each year, while any Bonds issued hereunder remain outstanding, the Board may reduce or cancel the above levies to the extent of the amount on deposit in and which has been appropriated to the Debt Service Fund to pay the principal of and interest on the Bonds, and may direct the County Auditor to reduce the levy for such year by that amount. The Board anticipates annually utilizing local option transit sales tax proceeds to cancel all or a portion of such tax levies.

4.05 The Board hereby appropriates from Fund 204 – Local Option Transit Sales Tax Fund to the Debt Service Fund \$721,167.89 for payment of the interest due on the Bonds on December 1, 2015.

4.06 Monies on deposit in the Construction Fund and in the Debt Service Fund may, at the discretion of the County, be invested in securities permitted by Minnesota Statutes, Chapter 118A; provided, that any such investments shall mature at such times and in such amounts as will permit for payment of the principal and interest on the Bonds when due.

Section 5. Tax Covenants.

5.01 The County covenants and agrees with the holders of the Bonds that the County will (i) take all action on its part necessary to cause the interest on the Bonds to be exempt from federal income taxes including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Bonds and investment earnings thereon, making required payments to the federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (ii) refrain from taking any action which would cause interest on the Bonds to be subject to federal income taxes, including, without limitation, refraining from spending the proceeds of the Bonds and investment earnings thereon on certain specified purposes.

5.02 A. No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (i) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued, and (ii) in addition to the above, in an amount not greater than the lesser of five percent of the proceeds of the Notes or \$100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Debt Service Fund (or any other County account which will be used to pay principal and interest to become due on the Bonds) in excess of amounts which under the applicable federal arbitrage regulations may be invested without regard as to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by the arbitrage regulations on such investments after taking into account any applicable temporary periods of minor portion made available under the federal arbitrage regulations.

B. In addition, the proceeds of the Bonds and money in the Debt Service Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof and to the extent that such investment would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Internal Revenue code of 1986, as amended (the “Code”).

C. The County hereby covenants not to use the proceeds of the Bonds, or to cause or permit them to be used, in such a manner as to cause the Bonds to be “private activity bonds” within the meaning of Sections 103 and 141 through 150 of the Code.

5.03 Unless the proceeds are spent pursuant to an arbitrage rebate spending exception, the County covenants to compute and cause the payment to the United States of all amounts required under the rebate requirement of Code Section 148(f), the regulations issued thereunder with regard to the Bonds. To this end, the County agrees to:

(1) maintain records identifying all “gross proceeds” as defined in Code Section 148(f)(6)(B) attributable to the Bonds, the yield at which such gross proceeds are invested, any arbitrage profit derived therefrom (earnings in excess of the yield on the Bonds) and any earnings derived from the investment of such arbitrage profit;

(2) make, or cause to be made within 30 days after the close of each fifth bond year, the annual determination of the amount, if any, of excess arbitrage required to be paid to the United States by the County (the "Rebate Amount");

(3) pay, or cause to be paid, to the United States at least once every five bond years the Rebate Amount, if any, including the last installment which must be made no later than 60 days after the day on which the Bonds are paid in full;

(4) retain all records of the annual determination of the foregoing amounts until six years after the Bonds have been fully paid.

5.04 The County shall use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designation made by this section.

Section 6. Miscellaneous.

6.01 The County Auditor is directed to file a certified copy of this Resolution and such other information as may be required, and to provide to bond counsel a certificate stating that the Bonds herein authorized have been duly entered on his register.

6.02 The officers of the County are authorized and directed to prepare and furnish to the Purchaser and to bond counsel, certified copies of all proceedings and records of the County relating to the legality and marketability of the Bonds, as such facts appear from the official books and records in the officers' custody or are otherwise known to them. All such certified copies, Bonds, and affidavits, including any heretofore furnished, constitute representations of the County as to the correctness of the facts recited therein and the action stated therein to have been taken.

6.03 The Chair and the County Auditor are hereby authorized and directed to certify that they have examined the Official Statement prepared and circulated in connection with the issuance and sale of the Bonds and that to the best of their knowledge and belief the Official Statement is a complete and accurate representation of the facts and representations made therein as of the date of the Official Statement.

6.04 In the event of the absence or disability of the Chair or the County Auditor, such officers as in the opinion of the County Attorney, may act in their behalf, shall without further act or authorization, execute and deliver the Bonds, and do all things and execute all instruments and documents required to be done or executed by such absent or disabled officers.

Section 7. Continuing Disclosure. The County acknowledges that the Bonds are subject to the continuing disclosure requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) (the "Rule"). The Rule governs the obligations of certain underwriters to require that issuers of municipal bonds enter into agreements for the benefit of the bondholders to provide continuing disclosure with respect to the bonds. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit underwriters of the Bonds to comply with the Rule, which will enhance the marketability of the Bonds, the Chair and the County Auditor are hereby authorized and directed to execute a Continuing Disclosure Certificate substantially in the form of the Certificate currently on file in the office of the County Auditor.

Section 8. Post-Issuance Compliance Policy and Procedures. The Board has previously approved a Post-Issuance Debt Compliance Policy and Post-Issuance Debt Compliance Procedures which applies to qualifying obligations to provide for compliance with all applicable federal regulations for tax-exempt obligations or tax-advantaged obligations (collectively, the "Policy and Procedures"). The Board hereby approves the Policy and Procedures for the Bonds. The County Auditor continues to be designated to be responsible for post-issuance compliance in accordance with the Policy and Procedures.
